SINCE 1965, FOUR GENERATIONS
DEDICATED TO MANUFACTURING
RESULTS-BASED COSMETICS

WELCOME TO LABESP

Quality control is our commitment; Innovation is our vocation.

At LABESP, we adapt to the needs of each brand. Whether large or small, traditional company or startup, our goal is to provide our customers with products bearing their brand name exactly as they need them, with **the best quality and price.** We offer everything from **customized developments for each customer to a large selection of products in stock, formulated by our R&D&I staff and dermatologically tested**, which we can supply both in bulk and as finished products, conditioning **from as little as one unit**, either in packaging provided by the customer or chosen from our packaging catalog, **which includes hundreds of references from the most renowned manufacturers in Europe, Asia, and the USA.**

Founded in 2012, we are the **fourth generation dedicated to the manufacture of cosmetic products. LABESP** is made up of a multidisciplinary team of Spanish technicians with extensive experience in the fields of R&D&I and the manufacture of cosmetic products, dermatological studies, quality control, registration processing, logistics and export.

Customers from 50 countries use products manufactured by LABESP.

WE ARE QUALITY CONTROL
GMP SAFE 22716

Our commitment to quality control, the environment and sustainability, our dedication to research and innovation, and our ability to anticipate health requirements have resulted in the creation of a unique and **exclusive safety protocol, SAFE 22716.**

SAFE22716 is the registered trademark of the exclusive safety protocol implemented at **LABESP which, in addition to fully complying with the UNE EN ISO 22716:2007 standard on good manufacturing practices (GMP), adds particularly relevant cosmetovigilance** measures that will provide greater safety for the products offered to our customer**s.**

WE ARE REGULATORY
Regulatory advice

Since 2009, Regulation (EC) No 1223/2009 of the European Parliament has established the legal framework for cosmetic products in Europe. It came into force on 11 July 2013.

Of course, our entire production chain, which we offer as a comprehensive or individualised service, is characterised by **our commitment to the UNE EN ISO 22716:2007 standard for good manufacturing practices (GMP) through our exclusive SAFE 22716 protocol. LABESP also has SGS and AEMPS certifications.**

*All processes of manufacturing, packaging and product finishing are available either as full service or independently.

After decades in cosmetics, both in R&D&I and marketing departments, at **LABESP** we have learned the needs of each of our international clients and **have created the widest range of services in the world.**

We supply whatever you may need...
Whether you just need a supplier of bulk products or you need a complete service from start to finish, including brand development, packaging supply, etc. We will develop a tailor-made **offer to best suit your needs.**

...but we will also use what you already have.
In **our goal to make things easy for you**, we will use any conditioning material you already have in your system and incorporate it into our process so that you feel 'at home'.

WE ARE FLEXIBILITY
MANUFACTURING OPTIONS

STOCK LINE
FROM 1 UNIT

STOCK LINE is specially developed for those customers that need to have their own brand with little investment and, equally important, least amount of worries.

From just 1 unit purchase customers can apply their logo to a list of “ready-to-go” stocked products provided with high quality packaging and a sleek label design.

It is ideal for beauty salons, ecological shops, dermatological clinics, pharmacies, gyms or online stores

CHOICE LINE
FROM 1000 UNITS

Vast array of products sold all over the world through our different brands from skin care to body care products, specific treatments and medical products.

From only 1000 units per reference, which can be supplied with customer packaging or chosen from our packaging catalog.

BULK LINE
FROM 50 KG

From only 50 kg per reference you can choose your favourite products from our CHOICE line in bulk which will be supplied in plastic barrels.

À LA CARTE
FROM 100 KG

From 100 kg per reference our customers can have their own custom formula that can be shipped either in bulk or finished product, filled in packaging supplied by the customer or chosen amongst our own packaging catalogue.

	STOCK LINE	CHOICE LINE	BULK LINE	À LA CARTE

FACIAL

THE WHITE LIST

To Avoid Black Lists

In today's world, with an excess of online information, sometimes correct sometimes inaccurate, a trend has been born whereby **many consumers review each cosmetic INCI** either through apps or blogs, **in search of "dangerous" ingredients to health.**

These sources of information have marked as negative a large number of safe and effective ingredients, to the point that l**arge distribution chains have created their own black list of ingredients**, to avoid controversies with consumers alerted to their potential toxicity.

Labesp has a strong commitment to transparency and, for that reason we are committed to an R&D line based on safe and effective ingredients, both natural or not.

However, we are very aware of the reality that many of our customers face and so we **created THE WHITE LIST, a line of products free of all the "controversial" ingredients that are usually included in the famous and feared Black Lists** powered by apps and blogs.

THE WHITE LIST DOES NOT INCLUDE:

Acetaldehyde
Acetates
Acetona
Acetonitrile
Acrylamide
Acrylic Acid
Alcohol
Aluminium Salts
Animal Oils/Musks/Fats
Benzalkonium Chloride
Benzophenone
Benzyl alcohol

Moisturizing Mask

Enriched with natural moisturizing factors, this mask intensely **moisturizes and soothes dry skin**, even the most sensitive. After application, the skin is transformed: **softer, more elastic, plump and lastingly protected against dehydration.**

MAIN INGREDIENTS:

Glycerin, Pentylene Glycol, Fructose, Urea, Citric Acid, Sodium Hydroxide, Maltose, Sodium Pca, Sodium Chloride, Sodium Lactate, Trehalose, Allantoin, Sodium Hyaluronate, Glucose.

Overnight Mask

Innovative night mask that revives dry skin with a burst of hydration for a radiant, luminous face. It is **especially recommended to comfort, nourish and deeply hydrate dull, dry and tired skin**. The result is visible when you wake up: **the skin is softer, smoother and more radiant than ever.**

Enriched with rosehip oil, hyaluronic acid and zinc, the Overnight mask **helps cell renewal,** making the skin more resistant to the effects of external aggressions and visible signs of aging.

MAIN INGREDIENTS: Prunus Amygdalus Dulcis Oil, Rosa Moschata Seed Oil, Sodium Hyaluronate, Zinc.

Cleansing Gel

The Cleansing Gel gently removes any type of impurity accumulated during the day, while nourishing the skin, thanks to its natural moisturizing ingredients, making it the perfect choice for all skin types. Its delicate and silky texture allows you to enjoy a radiant and clean face.

This cleansing gel turns into delicate microbubbles that deeply remove impurities and purify the skin, balancing excess oil. Its formula with plant extracts, ceramides and urea, helps moisturize and protect the skin so that your face looks smooth and flawless.

INGREDIENTES PRINCIPALES: Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Glycine Soja Oil, Gossypium Herbaceum (Cotton) Seed Oil, Mangifera Indica (Mango) Seed Butter, Olea Europaea (Olive) Fruit Oil, Persea Gratissima (Avocado) Oil, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Theobroma Cacao (Cocoa) Seed Butter, Ceramide NP, Urea.

Cleansing Balm

Gentle cleanser that effectively dissolves impurities, make-up and other product residue. When applied, its balm formula transforms into a silky oil when massaged into the skin. **Deep cleans** and easy to remove. **Helps remove polluting particles from the skin f**or a more youthful appearance for longer. Does not leave skin oily or dry.

MAIN INGREDIENTS: Prunus Amygdalus Dulcis Oil, Butyrospermum Parkii (Shea) Butter..

Day Cream

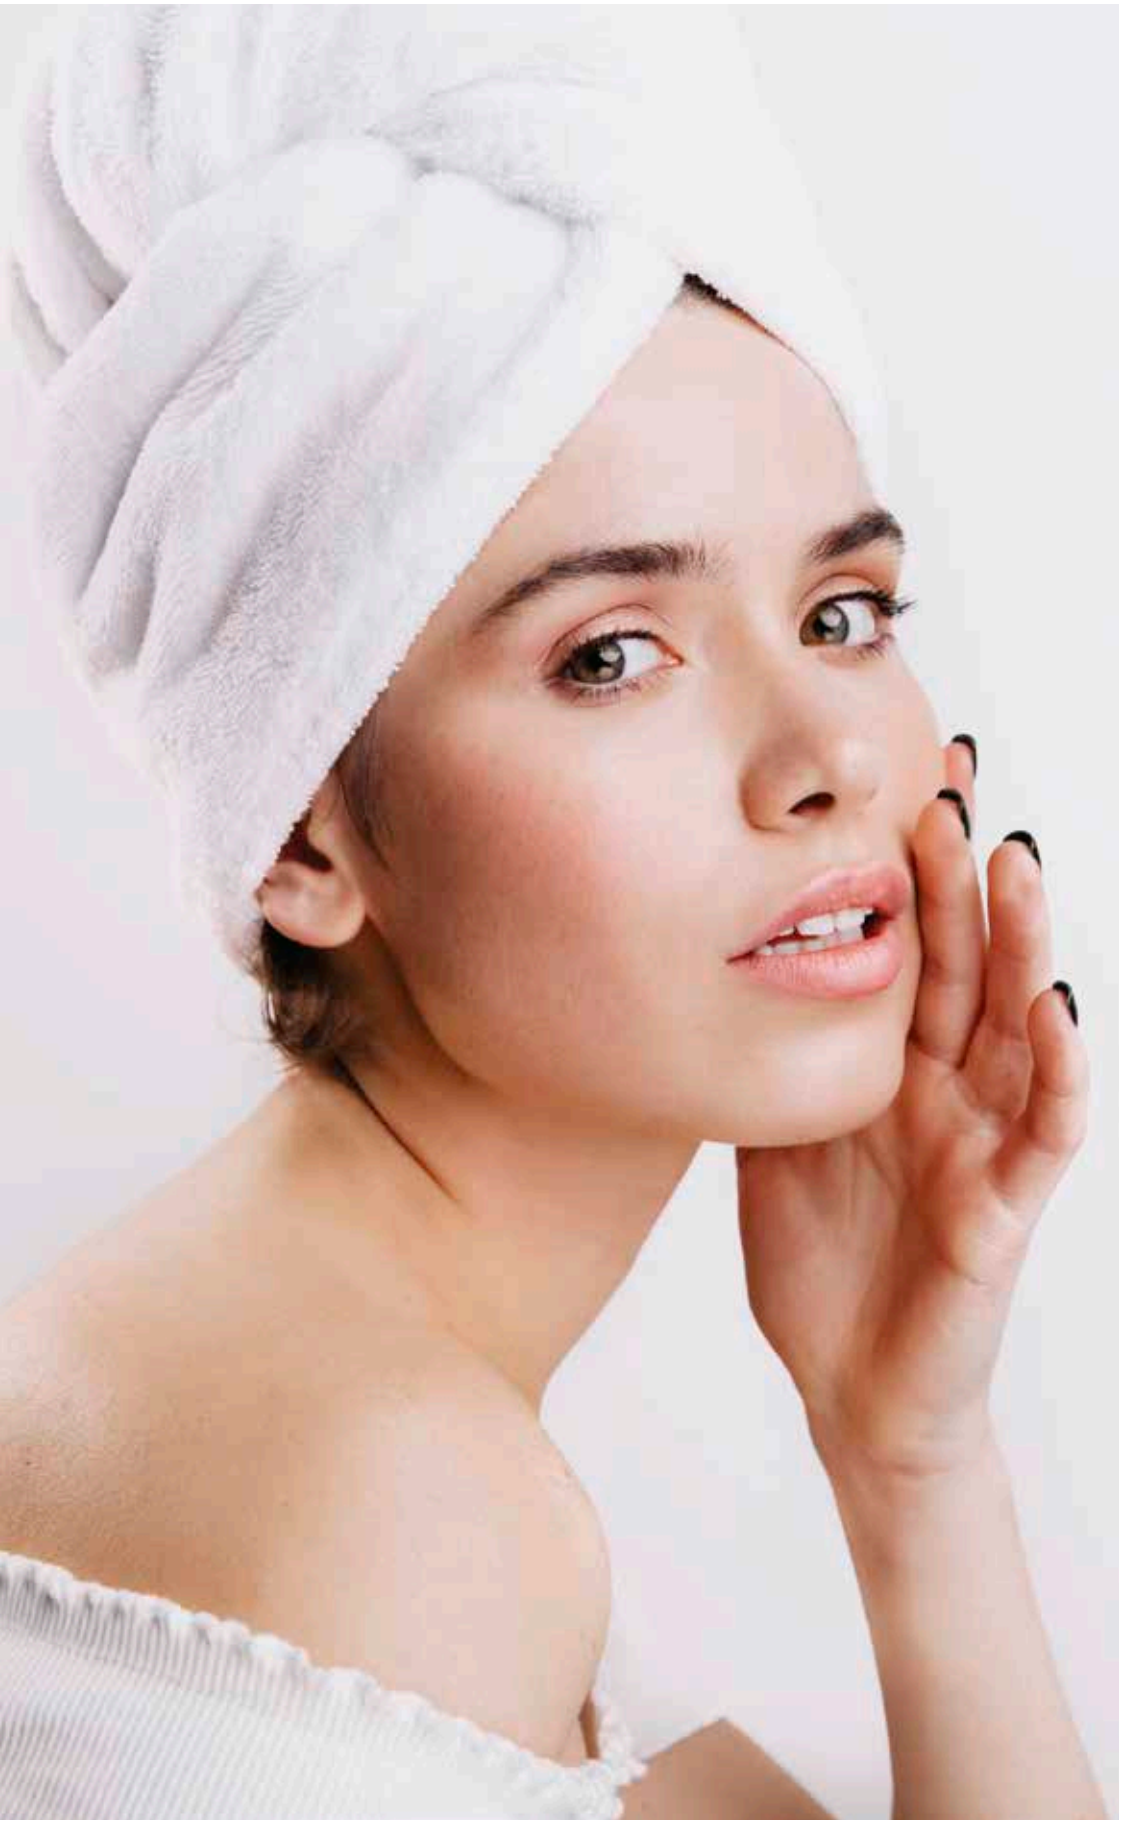
Day cream to unleash the youthful potential of the skin and achieve a radiant, smooth and luminous complexion.

With a high concentration of natural active ingredients including sweet almond oil, hyaluronic acid and natural sugars, **this deeply nourishing cream stimulates the skin's innate** power to increase collagen and elastin.

Expression lines and wrinkles are reduced. **The firmness, density and elasticity of the skin will improve significantly.**

INGREDIENTES PRINCIPALES: Prunus Amygdalus Dulcis Oil, Sodium Hyaluronate, Glycerin, Pentylene Glycol, Fructose, Urea, Citric Acid, Sodium Hydroxide, Maltose, Sodium Pca, Sodium Chloride, Sodium Lactate, Trehalose, Allantoin, Glucose.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer



Eye Contour

Moisturizing and light eye contour product for the entire periocular area. **Instantly reduces puffiness, dark circles and fine lines.**

It contains caffeine, a natural antioxidant derived from coffee, which acts as a diuretic and helps reduce water retention, one of the main causes of the appearance of bags under the eyes. Vitamin C and hyaluronic acid make it **a powerful treatment with an anti-aging effect** and achieve skin with a smoother texture.

MAIN INGREDIENTS: Prunus Amygdalus Dulcis Oil, Sodium Hyaluronate, Ascorbyl Methylsilanol Pectinate, Caffeine, Avena Sativa Kernel Extract.

Eye Contour Gel

The Eye Contour Gel is a gel enriched with Placentum,c vitamin F, glycoproteins and amino acids, **which help combat the visible signs of aging in the eye contour area.** With a light, fresh and super-absorbent texture, it revitalizes and densifies the skin. Its dermotensive action smoothes the epidermis and firms the skin.

MAIN INGREDIENTS: Glycine Soja Phytoplacenta Extract, Linoleic Acid, Linolenic Acid, Glycoproteins, Glutamic Acid, Valine, Threonine.

Lip Treatment Balm SPF30

Nourish your lips with the Lip Treatment Balm SPF 30. A **formula rich in natural oils** such as organic coconut oil, sweet almond oil and cocoa butter rich in fatty acids. Provides deep and lasting hydration to the lips.

Improves the appearance of chapped and dry lips by protecting them thanks to natural oils and shea butter. Rich in antioxidants, **it forms a shield against external aggressions.**

This fast-absorbing lip balm is fortified with SPF 30, **helping to defend skin from the sun's rays.** The long-lasting, sweet-scented balm imparts a light pinkish tint to the lips, giving them a juicy appearance.

MAIN INGREDIENTS: Prunus Amygdalus Dulcis Oil, Rosa Moschata Seed Oil, Sodium Hyaluronate, Zinc.

Lip Plumper

The Lip Plumper is an authentic treatment that provides shine, maximum volume and a sensation of extraordinary freshness to the lips.

Enriched with hyaluronic acid, this key hydration molecule **attracts and retains water**, helping to ensure hours of hydration. Filled with water, **the lips are immediately smoothed and plump**. The formula with natural oils provides shine to the lips and achieves smooth and hydrated lips, while refreshing the skin.

Multi-purpose, it can be used alone as a base for a lipstick or as a finishing touch gloss for a shiny, volumizing effect.

MAIN INGREDIENTS: Copernicia Cerifera Wax, Butyrospermum Parkii (Shea) Butter, Theobroma Cacao Seed Butter, Cocos Nucifera Oil, Sodium Hyaluronate.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

2 MIN LIFT

The revolutionary Instant Lift

The skin instantly appears less wrinkled.

In 2 minutes it achieves a new level of perfection and firmness in the skin.
The facial contour looks firmer, smoother and more defined. Hides eye bags in record time.

In only 4 weeks the skin looks smoother and regains its firmness and elasticity.

72% of the volunteers showed a significant reduction in the appearance of expression lines (+ 33%) and (-17%) wrinkles.

MAIN INGREDIENTS:
Avena Sativa (Kernel) Extract, Magnesium Aluminum Silicate.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

BIOBERTH

Results Oriented BIO Certified Skincare

Natural products are seeing exponential growth patterns since the past decade and consumer popularity and demand has prompted labs to formulate using **natural-based chemistry** and find more sustainable alternates to synthetics in order to satisfy consumer needs and provide a more earth-centred approach to product manufacturing so that we can move towards a more caring planet-loving society with a minimal carbon-footprint.

BIOBERTH is a BIO certified cosmetic line created with the intention of helping our skin without damaging the environment. Key ingredients like lemon water, pure African Shea butter, hyaluronic acid, natural preservatives and Rosehip oil will transform the health of the barrier in a clinically proven natural manner without compromising the health of the planet.

BIOBERTH is a perfect marriage of natural chemistry and advanced biotechnology as our aim is to produce a range of results-driven natural products with an evidence based approach.

Micelar Water

A potent combination of proven botanicals such as Lemon Water, Edelweiss Extract, Acmella Oloracea Extract, amongst others, is what sets our biomicellar water apart.

The water will deeply cleanse and purify without drying the skin. Unique properties attributable to carefully selected therapeutic botanicals **offer greater facial hydration, enhanced skin immunocompetence and a supernaturally cleansed and pure complexion.**

This is indeed the new generation of botanical cleansers.

MAIN INGREDIENTS:

Citrus Limon (Lemon) Fruit Water, Polyglyceryl-4 Caprate, Leontopodium Alpinum Flower/Leaf Extract, Acmella Oloracea Extract.

Eye contour

The eyes are the windows to the soul and unfortunately also the first region of the face to show signs of both extrinsic and intrinsic aging.

Driven by the power of vegetal Hyaluronic Acid, our botanically rich Eye Contour Serum deeply moisturizes and revitalizes the delicate eye area. Heavy hitting phytocompounds like Horse Chestnut Extract, Acmella Oloracea and Oatmeal help **prevent expression lines, reduce eye puffiness and gradually diminish dark circles when used regularly.**

Additional bonus benefits are immediate lifting effects, global rejuvenation and nutrient delivery. The end result is visibly bright, glowing, hydrated, wrinkle-free eyes that will light up any room.

MAIN INGREDIENTS:

Citrus Limon (Lemon) Fruit Water, Avena Sativa (Oat) Kernel Extract, Hyaluronic Acid, Acmella Oloracea Extract, Ascorbyl Methylsilanol Pectinate, Aesculus Hippocastanum (Horse Chestnut) Extract.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

Day Cream

Our sun is a sustainer of life, but the life-giving properties of the sun come at a steep price. Ultraviolet radiation present in sunrays are the main cause of photo-aging and premature aging. **Our super-charged botanical Day Cream is composed of probiotics and prebiotics as the main ingredients**, along with a carefully selected panel of clinically backed botanicals that will help the skin battle enviroaging by offering sustained hydration whilst delivering vital nutrients that will innately equip the skin to manufacture native antioxidants.
Your skin will radiate health and beauty once more as sundamaged cells will recover from enviro-stress and imbalances.

MAIN INGREDIENTS:
Citrus Limon (Lemon) Fruit Water, Butyrospermum Parkii (Shea) Butter, Acmella Oloracea Extract, Lactococcus Ferment Lysate, Centella Asiatica Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Citrus Reticulata Fruit Extract, Chamomilla Recutita (Matricaria) Flower Extract.

Night Cream

A cocktail of clinically backed botanicals will ward off wrinkle formation and increase the innate ability of the skin to manage aging in a powerful yet natural manner. Key phytoactives will allow the skin to attain homeostasis as topically introduce compounds will rewind the aging clock by **increasing free radical scavenging properties of the skin's antioxidant system**.

Additionally, **your skin will heal while you sleep** as powerful ingredients penetrate the epidermis and fortify unhealthy skin cells. You will wake up feeling rejuvenated with unbelievably soft skin. This powerhouse of a cream will become the most valued product in your vanity shelf, and trust us, your skin will thank us for this gift of self-care.

MAIN INGREDIENTS:
Citrus Limon (Lemon) Fruit Water, Butyrospermum Parkii (Shea) Butter, Acmella Oloracea Extract, Centella Asiatica Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Citrus Reticulata Fruit Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosa Moschata Seed Oil.

Serum

Our Bioberth serum is the epitomy of new generation botanical innovation. Characterized by its high concentration of active ingredients and rapid absorption rates due to the superior mimetic nature of the compounds, the serum will act fast and relieve dryness and itching in record time. Rosemary, Chamomile, Acmella Oloracea and Cranberry will calm and nourish the skin as low molecular weight vegetal Hyaluronic acid will deeply hydrate and plump whilst healing the barrier and helping with chronic bothersome skin issues like dermatitis. Upon regular use of this game-changing serum, **you will start to notice a more happier, calm and balanced complexion** that will infuse your life with a newfound sense of confidence, as irritations are minimized and skin function are restored to normalcy.

MAIN INGREDIENTS:
Citrus Limon (Lemon) Fruit Water, Vaccinium Myrtillus Leaf Extract, Acmella Oloracea Extract, Ascorbyl Methylsilanol Pectinate, Hyaluronic Acid, Avena Sativa (Oat) Kernel Extract, Hemp Oil.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

PRODIGY OIL

Luxury Lipid Therapy for Ultimate Skin Health

The history of PRODIGY

Plant oils have been used from thousands of years as **skin-healerscand were regularly used by the most ancient cultures for beautifying and healing skin**. In the ages where no fancy cosmeceuticals existed, therapeutic plant-oils formed a part of ancient skinbeautification and medicinal practices. Oil therapy has stood the test of time and is rooted in our human evolution. They are indeed the skin-saviors of Mother Nature.

Lipids or oils are skin-loving (skin-mimetic) molecules that are essential in maintaining a healthy and youthful barrier. **Aging results in a lipid-deficient state**, where the skin starts to become flaky and dry with increased chances of infection and worsening of atopy. **The topical introduction of skin-supportive lipids will allow deep nourishment and strengthen the barrier unlike any natural ingredient** found in Nature. Topical lipid therapy is not only a clinical method of aiding dry and aging skin, but it is also an elixir of life, whereby oil-depleted skin cells are therapeutically strengthened to bear the constant environmental threats that our skin faces on a daily basis.

The science of touch is known as Haptic science. Our lab believes in constant innovation and invention in order to provide our clients with an overall positive sensorial experience. We have taken the science of touch to a new level, where pleasure, joy and happiness felt upon application of PRODIGY will result in an absolute sense of well-being. **PRODIGY will instill peace by allowing your skin to transmit positive impulses to your brain**, thus eliciting immense pleasure by way of scent, touch and relief. The sensual notes coupled with the immediate softening effects, will allow your mind to drift into a place of joy and relaxation.

Biologically, **the oils will stabilize barrier functions and neutralize damaging free radicals and harmful air toxins resulting in a healthy and stable barrier.** We have selected acne-safe oils that will be instantly recognised by your own skin and allow for optimal regeneration without suffocating the pores. **PRODIGYwill benefit all skin-units including, nails, hair, body and facial skin for an overall pleasurable experience.**

Our multi-functional, lightweight dry oil contains 98% organically sourced bioactive-fruit and seed oils that have been lovingly crafted by our awardwinning formulators. **We have taken the most nutritive extracts and created a truly magnificent blend of oils that will nourish, repair, smoothen, calm and replenish lost skin surface lipids**. The benefits are felt almost immediately as the silky golden drops sink deep into your skin, providing exceptional moisturization and a long-lasting glow.

The PRODIGY formula

All beautiful things are born from inspiration. We were inspired by the bounty of Earth and the medicinal qualities of ancient plants and amalgamated our love of science and nature into one work of scientific poetry.

PRODIGY is poetry in a bottle, where deep senses and healing is evoked when precious oils touch your skin taking you on a self-exploratory journey of re-awakening.

New generation fermented oils absorb deeper, have non-pore clogging actions, are stable and have superior skin-restoring benefits as compared to conventional oils. Our exotic blend of fermented Green Tea, Argan, Marula, Licorice and Sweet Almond oil will dissolve into your skin like liquid butter allowing for immense pleasurable sensations, whilst fermented Lemon Grass will spiritually uplift your senses, reminiscent of romantic sunny lemon orchards.

PRODIGY is free from all skin-harming ingredients and is safe for even the most delicate skin.

Cosmetic Benefits of PRODIGY

Instant glow Reduction of fine lines **Adds luster and strength to hair** Strengthens nails and cuticles **A complete skin-healer** Smoothing and evening of skin tone **Over time will lessen redness and sensitivity** Long lasting hydration

Clinical Benefits of PRODIGY

Moisturizes genetically dry skin **Will help calm down red eczematous skin** Will help control itching **Will aid in repairing the skin after laser, chemical peels and microdermabrasion** Act as skin-food, providing deep nutrition to aging cells **Free radical scavenging and barrier restoring actions** Help minimize inflammation **Microbiome stability and reducing atopy** Reduces young acne scars **Reduces young stretch marks**

The PRODIGY Ritual - Science and evolution

There are several ways in which you can incorporate our indulgent and addictive oil into your daily skin ritual

· **Use immediately after facial cleansing –** as a facial age reversing oil serum
· **Use immediately after body and hair cleansing –** as a body and hair restorative serum
· **As a hand and nail restoring oil**
· **Massage regularly in areas with young stretch marks or fresh scars**
· **Add a few drops to your bath for a complete body soothing experience**
· **Use for oil-cleansing as a luxury make-up remover**
· **Use regularly if you've undergone cosmetic procedures**

MAIN INGREDIENTS:

Dicaprilyl Carbonate, Dicaprylyl Ether, Pseudozyma Epicola / Aceite de oliva / Aceite de girasol / Aceite de argán / Extracto de fermento filtrado de raíz de angélica / Extracto de fermento filtrado de regaliz / Aceite de moringa / Aceite de almendras dulces / Aceite de marula / Tocopheryl Acetate / Aceite de limoncillo.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

EGF SERUM

Total Skin Rejuvenation

This clinically backed heavy hitting serum will deliver vital molecules deep into the skin layers, **resulting in visible transformations and regeneration.**
Epidermal Growth Factors will **increase skin elasticity, promote collagen production, increase cellular turnover and restore the natural youthful balance** of the skin matrix safely and effectively.
Infused with powerful phyto-actives, nutrients and skin soothers, **the natural ability of the skin to heal is optimized** as aging cells are reprogrammed for a youthful glow.

MAIN INGREDIENTS:
Aqua, Propanediol, Alcohol Denat., Mannitol, Phosphatidylcholine, Glycerin, Cholesterol, Polysorbate-80, Potassium Sorbate, Sodium Benzoate, Xanthan Gum, Sodium Chloride, Dipotassium Phosphate, Butylene Glycol, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Phenoxyethanol, Carbomer, Triethanolamine, Ethylhexylglycerin, Nicotiana Benthamiana Hexapeptide- 40 ShOligopeptide-1.

BENEFITS OF EGF SERUM:

- Dramatic improvement of skin radiance.
- **Increased skin density and plumpness.**
- Overall smoothness and surface uniformity.
- **Vanishing of fine lines especially Crow's Feet and Vertical Lip lines.**
- Increased capacity of the skin to maintain water balance.
- **Regular use will result in complete skin restoration.**
- Dryness and blotchiness will disappear.
- **Will improve redness and unify skin tone.**

COPPER COCKTAIL SERUM

Deep Skin Restoration and Barrier Strengthening

This incredible serum will r**evitalize the skin from the inside out** as soon as it touches the skin. Advanced delivery systems ensure deep delivery of these vital molecules to aging skin cells.

Copper peptides as evidenced from clinical studies, **show remarkable skin-repairing age reversing actions**. The serum cocktail will attack aging using a multi-prong approach. Optimal concentrations of wrinkle-freezing peptides will tackle dynamic wrinkles in a topical botox-like fashion and result in dramatic transformations.

Copper peptides are in fact responsible for realigning and resetting aging DNA, essentially turning back time and diminishing the hallmarks of sun damaged skin.

Fine lines, age spots, uneven skin tone, dryness, dullness will all melt away when using the copper cocktail serum.

MAIN INGREDIENTS:

Aqua, Propanediol, Pentylene Glycol, Glycerin, Acetyl Hexapapetide-8, Copper Tripeptide-1, Polysorbate 20, Fructose, Urea, Dipeptide Diaminobutyroyl Benzylamide Diacetate, Citric Acid, Sodium Hydroxide, Maltose, Sodium PCA, Sodium Chloride, Sodium Lactate, Trehalose, Allantoin, Sodium Hyaluronate, Glucose, Palmitoyl Tripeptide-1, Palmitoyl Tetrapeptide-7.

BENEFITS OF COPPER COCKTAIL SERUM:

- Promotes rejuvenation.
- **Tackles dynamic wrinkles around mouth and eyes - a wrinkle- freezing effect.**
- Skin of eye area shows maximum age reversing benefits.
- **Enhanced skin radiance and overall glow factor.**
- Smoothness and overall quality of skin is improved.
- **Skin laxity is improved over time.**
- Skin health is improved with less sensitivity.
- **Dryness and irritancy levels will improve.**

HEMPCANNA

New Generation Holistic Hemp-based skincare

HEMPCANNA is a line of completely vegan cosmetic products, created only with 100% natural ingredients using Ecocert high grade Hemp oil.

HEMPCANNA is a line of completely vegan cosmetic products, created only with 100% natural ingredients using Ecocert high grade Hemp oil.

Not only will this line heal skin deeply but it will also **heal your body holistically by instilling peace**, calm and joy through whole-body relaxing actions found naturally in the Hemp oil.

It is a new generation holistic line that is as trendy as it is effective and we are leaders of change and innovation**.**

FUNCTIONING

- Fights skin inflammations thanks to its anti-inflammatory effect.
- **It helps heal skin lesions.**
- Prevents tissue damage.
- **Repairs damage caused by sun exposure and UV rays.**
- It contains moisturizing properties, moisturizing action.
- **The oil is not fatty.**
- It is easily absorbed in the pores without clogging them.

Day Cream

MAIN INGREDIENTS:
Hemp Oil, Jojoba Esters.

Night Cream

MAIN INGREDIENTS:
Hemp Oil, Rosa Moschata Seed Oil.

Serum

MAIN INGREDIENTS:
Hemp Oil, Sodium Hyaluronate, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

Eye Contour

MAIN INGREDIENTS:
Hemp Oil, Sodium Hyaluronate, Jasminus Sambac Flower Extract, Crataegus Monogyna Flower Extract.

Oil

MAIN INGREDIENTS:
Hemp oil, Rosa Moschata Seed Oil.

NATURAL ORIGIN: With Natural ingredients. Vegan.

ETHNIKA

Revolutionary Multi-Phenotypic Skincare

Only a handful of cosmetic laboratories produce skin care for variable phenotypes. The reason is that **multi-ethnic skin requires an advanced biotechnological approach with multiple biometric parameters** at play that are difficult to quantify. We have the experience and the know-how to delve into this area of cosmetic engineering.

Dermatologists face a problem when a person with dark skin questions them about the most appropriate product pertaining to various skin concerns. It is duty of laboratories to embrace these questions and look for solid solutions for darker skin phenotypes.

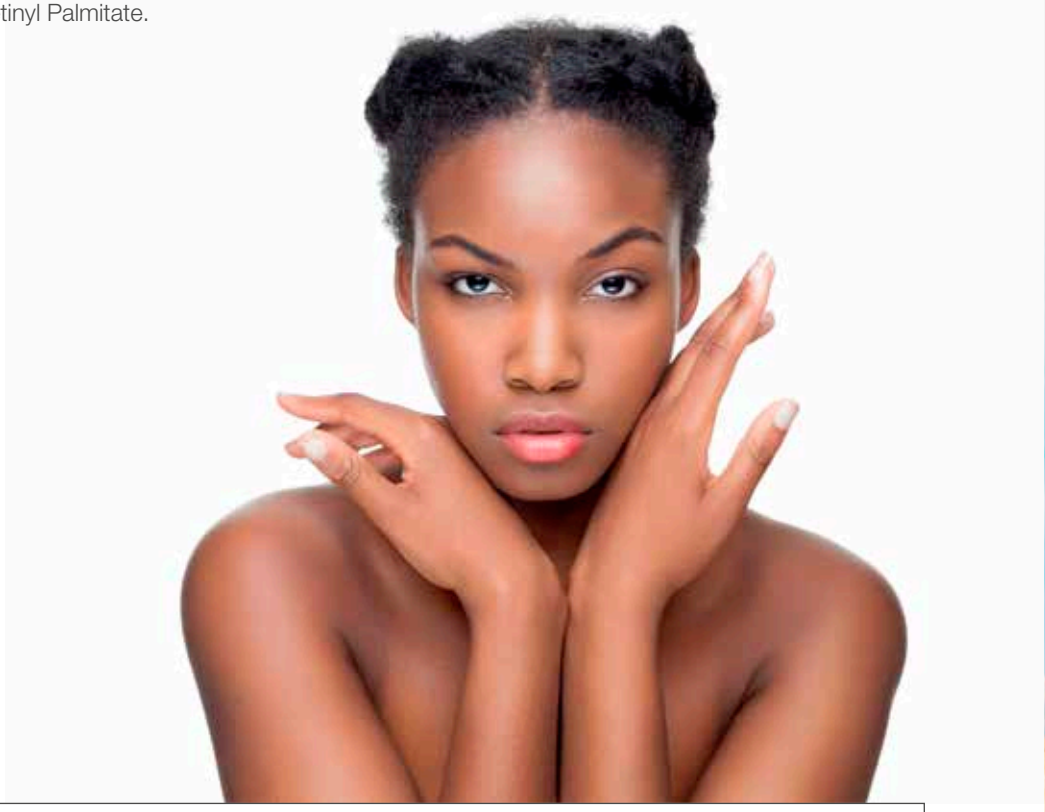
ETHNIKA satisfies these needs thanks to the **mix of 4 powerful active cosmetics, that accumulate a synergic effect**, where the final result is much more than just a sum of its parts.

BB Cream
Tonic
Cleansing Milk
Anti-seborrheic makeup remover
Nourishing Day Cream
Nourishing Night Cream
Eye Contour Cream

PERFORMANCE

Intense hydration.
Climate self-adaptable emulssion.
Tone purifying action.
Calming effect.
Reduces bacterial growth.
Unifies skin tone.
Matte finish.
Regulates seborrheic activity.
Inhibits 5 -reductase.
Fights skin's heterogeneity.
Enhances cell proliferation.
Comedolytic effect.

MAIN INGREDIENTS:
Iris Florentina Root Extract, Zinc Sulfat, Retinyl Palmitate.



NATURAL ORIGIN: With Natural ingredients. Vegan.

CAIRO BALM MAGIA

The All-in-One Skin Health Restorer

The all-in-one-cure that can potentially change your life.

The balm that will change your life by giving your body a new lease on life by providing you with head to toe healing. Powered by some of the most extraordinarily healing molecules of Nature, our Balm Magia is nothing short of a living miracle.

Bee pollen, Bee Propolis, Spanish Saffron, Turmeric, African Black Potato, Black Seed, Black Cohosh, CBD, and Olive oil have been used for thousands of years for treating acute and chronic skin ailments. How does modern medicine standardize these ancient practices?

Clinical studies and research provide us with solid data that we can incorporate into modern day herbals. We use the knowledge of the ancients and feed it to modern science.

Olive oil, honey, turmeric, saffron and bee propolis hold extremely high regenerative and rejuvenative actions. Numerous clinical studies demonstrate the power of these natural wonders. We could write a book on the benefits of this pot of gold, but instead we will list the benefits.

MAIN INGREDIENTS: Squalane, Beeswax, Cannabis Sativa Seed Oil, Sorbitan Oleate, Honey Extract, Royal Jelly, Propolis Extract.

Facial

Supports the skin barrier
Optimal moisturizer
Fading dark spots
Reduces redness
Healing young scars
Skin soother

Balm Magia - your life in a bottle, multi-level healing experience

URBAN DETOX

Pollution-Negating Skincare

ONLY NATURE WILL SAVE US FROM POLLUTION.

Global aero-pollution is on the rise. In fact World Health Organization reports alarming levels of air pollutants in urban cities throughout the world and the number is increasing.

The city of the future will be sustainable, will renew and distribute energy, will address water efficiency, will manage waste and will prioritize public and non-motorized transport.

We are ahead of the future with URBAN DETOX a daily treatment with 99% latest technology natural ingredients of vegetal origin combined with probiotics.

MAIN INGREDIENTS:

Lactococcus Ferment Lysate, Pyrus Malus Juice, Prunus Persica Juice, Triticum Vulgare Seed Extract, Hordeum Vulgare Seed Extract, Panax Ginseng Root Extract, Butyrospermum Parkii (Shea) Butter, Jojoba Esters.

NATURAL ORIGIN: Organic and natural product.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

It activates the mechanisms ofself-defense of the skin (Hormesis), by stimulating the cellular markers of anti-oxidation.

Improves protection against indoor and outdoor pollution.

It protects against the adverse effects of pollution by restoring and preventing the degradation of the components of the barrier function and the extracellular matrix.

Protects against sunlight.

Rich in polyphenols, potent natural antioxidants, it manages to increase the formation of filaggrin and loricrin, both proteins essential in the formation of the barrier function of the skin.

Increases resistance to cellular oxidation processes by activating a genetic cascade that synthesizes the antioxidant defenses of the skin.

Due to its high content in probiotics, it helps to improve skin immunity, and aids in repairing, calming and improving the balance of the epidermal barrier

Stimulates detoxification.

It significantly increases the production of catelicidin and defensin, two vital proteins in the ability to increase cell proliferation and cellular cohesion of the skin, essential to combat flaccidity.

BOOSTINITY

Multi-Skin Correcting Booster Series

The skin is not only the largest organ of our body, but also the most important as it forms the first line of defence against harmful aggressors. Consistent use of high quality products will ensure the longevity of skin health and vibrancy of appearance. It's not a routine, but more of a meditative experience where you are aiming to protect, nourish and equip your skin with essential actives that will enhance the well-being of your skin. The basic products that are needed to achieve optimal skin health are cleansers, toners, serums, sun protectors and day and night creams. However, for specific problems of the skin, **products developed with a high percentage of active ingredients** that can offer more precise targeted actions might be required to solve the issues.

BOOSTINITY line is formulated with naturally-derived high powered ingredients to tackle the most common skin problems, to help the skin cells function in a balanced fashion and infuse ingredients that will manage both stress-induced skin damage and battle enviromental and natural skin aging.

Boostinity Antistress

The accelerated pace of life, stress, lack of sleep, poor nutrition, pollution and tobacco smoke result in flaccid and dry skins with yellowish and grayish tones, dark circles and marked eye contours and even small spots on the skin due to the oxidation of the cells.

MAIN INGREDIENTS: Glycoproteins, Hyaluronic Acid, Retinyl Palmitate, Tocopherol Acetate, Urea.

Boostinity Peeling

The skin is constantly attacked by several visible and invisible aggressors (stress, fatigue, illness, age, pollution, hectic lifestyle, poor diet.) The skin barrier is primarly responsible for fighting off these elements.

But due to constant attacks, it may start to function poorly and skin cycles will be slowed down leading to dry painful skin. Peeling the superfcial layers of the skin will allow it to function as before as skin cycles are restored and barrier functions are stablilized.

MAIN INGREDIENTS: Glycolic Acid.

Boostinity Energy

Any type of illness, whether a short bout or a punctual physical effort, such as a long trip, compromises the skin causing dehydration, dryness and dark circles.

We have developed products with naturally-derived safe ingredients that will help your skin by working with it instead of against it.

MAIN INGREDIENTS: Linoleic Acid, Avena Sativa (Kernel) Extract, Glycoproteins, Phytoplacenta Extract.

Boostinity Oxygen

The inexorable passage of time leads to sagging skin folds, poor luminosity, flaccidity, wrinkles, uneven skin tones, increased skin dehydration and diminished levels of natural antioxidants that are important in scavenging harmful free radicals.

MAIN INGREDIENTS: Hydrolized Pea, Glycoproteins, Phytoplacenta Extract, Retinyl Palmitate.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

CRYSTAL CLEAR

Efficient Cleansing & Toning

Tonic

- **Designed for normal / mixed skins with oily tendency.**
- Refreshes, hydrates, closes the pores, balances the skin, and prepares it so that it can receive the subsequent treatment.
- **Gently unclogs the pores without causing excessive dryness.**
- Reduces the growth of bacteria and prevents the appearance of infections.
- **Particularly effective in the T zone and in other problematic areas of the skin.**
- Remove the excess of oil and bacteria.
- **Normalizes the skin that has been cleansed, restoring the pH of the skin.**
- Increases the blood flow in the area where applied.
- **Revitalizes and rejuvenates the tissues.**

MAIN INGREDIENTS:

Alcohol denat, Ethylhexylglycerin.

Cleansing Milk

- It helps the skin to eliminate impurities and receive more deeply the treatments that we want to apply after toning the skin.
- Adapted to the physiology of the skin. Physio-compatible ingredients that mimic the composition of the skin.
- Fine texture for greater afinity with the skin.

MAIN INGREDIENTS:

Glyceryl Stearate, Ascorbyl Palmitate.

Micellar Water

- With a 3 in 1 action: **Cleans, tones and hydrates the skin.**
- Keeps the **skin comfortable and elastic**, without leaving it dry or unctuous.
- **It is free of perfume and contains no parabens**, which makes the product a suitable formula for all skin types.
- Removes accumulated sebum on the face without attacking it.

MAIN INGREDIENTS:

Cocamidopropyl Betaine, Poloxamer 184.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

EYES AND LIPS

EYE CARE

Complete Eye Care Range

THE WHITE LIST

Eye contour

Moisturizing and light eye contour product for the entire periocular area.

Instantly reduces puffiness, dark circles and fine lines.

It contains caffeine, a natural antioxidant derived from coffee, which acts as a diuretic and helps reduce water retention, one of the main causes of the appearance of bags under the eyes.

Vitamin C and hyaluronic acid make it a powerful treatment with an anti-aging effect and achieve skin with a smoother texture.

MAIN INGREDIENTS:
Prunus Amygdalus Dulcis Oil, Sodium Hyaluronate, Ascorbyl Methylsilanol Pectinate, Caffeine, Avena Sativa Kernel Extract.

HYALUFORCE

Eye contour serum with vitamin C & AHA

Dermatological corrector of eye contour wrinkles, enriched with Vitamin C and Hyaluforce complex. A two-in-one innovative product that will infuse luminosity and reverse eye issues. This serum revitalizes, refreshes and awakens the outline of tired eyes, reduces the appearance of fine lines of expression, bags and dark circles

MAIN INGREDIENTS:

Ascorbyl Methylsilanol Pectinate, Hyaluronic Acid, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamo-milla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

PLACENTUM

Eye contour gel

Strongly reduces TT-Dimer formation and **stimulates DNA repair** in skin models and epidermal stem cells making an improvement of skin elasticity and firmness in the eye area. Reduces wrinkle depth.

MAIN INGREDIENTS:
Glycine Soja (Soybean) Phytoplacenta Extract, Glycoproteins, Avena Sativa (Oat) Kernel Extract, Plankton Extract, Linoleic Acid, Linolenic Acid.

THE WHITE LIST

Eye contour gel

The Eye Contour Gel is a gel enriched with Placentum, vitamin F, glycoproteins and amino acids, which help combat the visible signs of aging in the eye contour area. With a light, fresh and super-absorbent texture, it revitalizes and densifies the skin. Its dermotensive action smoothes the epidermis and firms the skin.

MAIN INGREDIENTS:
Glycine Soja Phytoplacenta Extract, Linoleic Acid, Linolenic Acid, Glycoproteins, Glutamic Acid, Valine, Threonine.

BIOBERTH

Contorno de ojos

The eyes are the windows to the soul and unfortunately also the first region of the face to show signs of both extrinsic and intrinsic aging. Driven by the power of vegetal Hyaluronic

Acid, our botanically rich Eye Contour Serum deeply moisturizes and revitalizes the delicate eye area. Heavy hitting phytocompounds like Horse Chestnut Extract, Acmella Oloracea and Oatmeal help prevent expression lines, reduce eye puffiness and gradually diminish dark circles when used regularly. Additional bonus benefits are immediate lifting effects, global rejuvenation and nutrient delivery. The end result is visibly bright, glowing, hydrated, wrinkle-free eyes that will light up any room.

MAIN INGREDIENTS:

Citrus Limon (Lemon) Fruit Water, Avena Sativa (Oat) Kernel Extract, Hyaluronic Acid, Acmella Oloracea Extract, Ascorbyl Methylsilanol Pectinate, Aesculus Hippocastanum (Horse Chestnut) Extract.

AMPLIFY

Perfect Eye

Biomarin plankton extract that acts on one of the most sensitive areas of the skin, the eyelids.

COSMETIC PROPERTIES: It performs on the 3 main skin problems of the eye, it reduces eye bags, minimizes dark circles and reduces wrinkles. Tested especially to act at a periocular level

MAIN INGREDIENTS:
Acetyl Hexapeptide-8, Plankton Extract.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

JOLIPS

Intensive Lip Care

Jolips Moist
with Shea Butter

Ideal for dryness caused by cold and windy climates, **JOLIPS MOIST Hyper-Moisturizing Lip treatment is a special antiaging moisturizing treatment for the lips and the perioral area.** With renewing properties and a rich and unctuous texture, it moisturizes, softens and smoothens the lips, thus contributing to the attenuation of small lines of expression and dryness, and to the reduction of sun damage. Perfect companion to your favorite lipstick.

MAIN INGREDIENTS: Butyrospermum Parkii (Shea) Butter, Tocopheryl Acetate.

Jolips Scrub
with Almond Shell

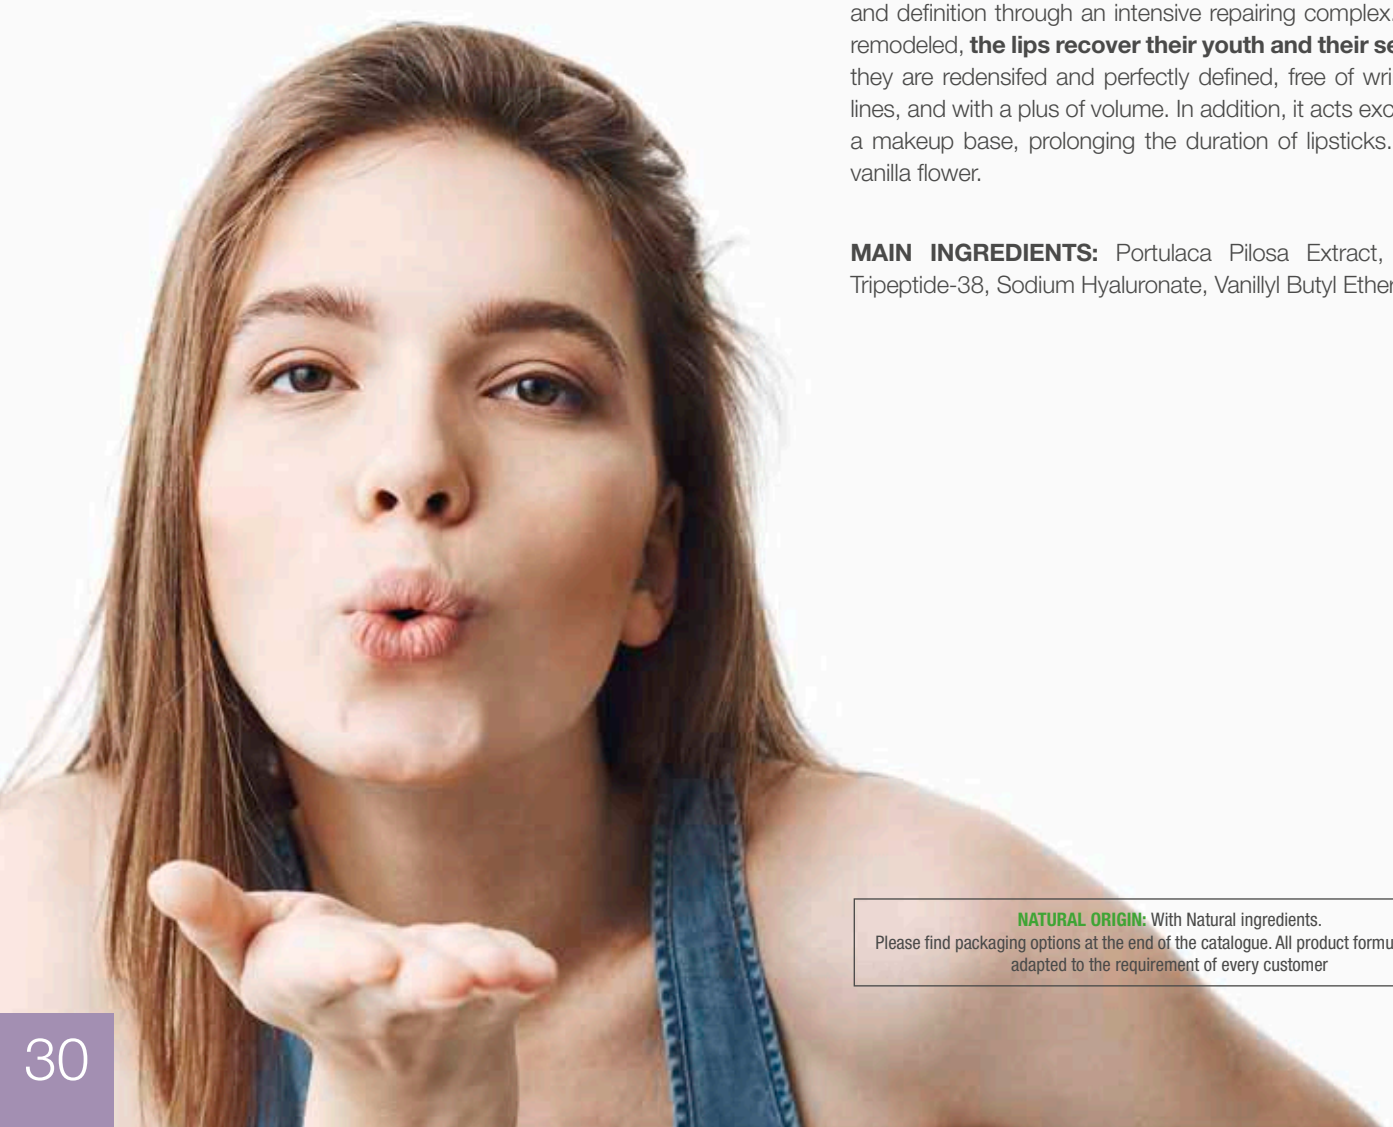
Repairing lip balm that hydrates and regenerates lip skin. Its formula has a gentle exfoliating action that **helps to eliminate dry skin and new skin appears recovered and strong.** It contains a quick-acting almond shell scrub that helps the regeneration of the skin barrier in a natural way and improves the appearance of the skin by the gentle buffing actions.

MAIN INGREDIENTS: Butyrospermum Parkii (Shea) Butter, Tocopheryl Acetate, Prunus Amygdalus Dulcis Shell Powder.

Jolips Volume
with Vanilla flower

Effectively combats the negative effects of the passage of time on the lips and their contour by giving them volume and definition through an intensive repairing complex. Perfectly remodeled, **the lips recover their youth and their sensuality,** they are redensifed and perfectly defined, free of wrinkles and lines, and with a plus of volume. In addition, it acts excellently as a makeup base, prolonging the duration of lipsticks. Contains vanilla flower.

MAIN INGREDIENTS: Portulaca Pilosa Extract, Palmitoyl Tripeptide-38, Sodium Hyaluronate, Vanillyl Butyl Ether.



NATURAL ORIGIN: With Natural ingredients.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

SUN

HELIOS

High Powered Sun Protection

With the arrival of warm weather, short sleeves and tank tops make their way into our closet and reveals our skin to sunlight.

Many people are in a hurry to get a tan and sunbathe intensely without protection, thinking that this will speed up the process. Nothing could be further from the truth.

All they achieve is damaging their skin with a nasty burn and increasing their chances of developing skin cancer in the future.

Protecting yourself from sun damage is essential, which is why sunscreen products exist. HELIOS offers the products you need to achieve a beautiful tan while caring for the skin on your entire body.

FPS 15 Sun Cream

SPF 15 Sun Cream is a broad-spectrum sunscreen that provides effective protection from solar radiation. Its light and fast-absorbing formula protects the skin from sunburn and premature aging all year round.

Enjoy the sun with confidence knowing that your skin is protected and **cared for with key ingredients such Butyrospermum Parkii Butter.**

MAIN INGREDIENTS:
Ethylhexyl Methoxycinnamate, Phenylbenzimidazole Sulfonic Acid, Propanediol, Butyrospermum Parkii (Shea) Butter, Jojoba Esters.

FPS 30 Sun Cream

SPF 30 Sun Cream with chemical filters that protect the skin and is instantly absorbed. **Its antioxidant formula neutralizes free radicals and softens sun damage.** Suitable for all skin types, even sensitive. Invisible, streak-free finish. **Intense hydration and rapid absorption**. Restorative natural ingredients, such as Rosehip Oil and Chamomile Extract. **SPF 30. Enjoy the sun without worries.**

MAIN INGREDIENTS:
Ethylhexyl Ethylhexyl Methoxycinnamate, Phenylbenzimidazole Sulfonic Acid, Butyrospermum Parkii (Shea) Butter, Rosa Canina Fruit Oil, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

FPS 25 Sun Cream

SPF 25 Sun Cream is a broad-spectrum sunscreen that only uses physical filters and **provides effective protection from solar radiation**. Its light and fastabsorbing formula protects the skin from sunburn and premature aging all year round.

Enjoy the sun with confidence knowing that your skin is protected and cared for with key ingredients such as Zinc Oxide, Niacinamide, Jojoba Oil, Hyaluronic Acid, Vitamin C and Oats.

MAIN INGREDIENTS:
Zinc Oxide, Titanium Dioxide, Avena Sativa Kernel Flour, Niacinamide, Simmondsia Chinensis (Jojoba) Seed Oil, Sodium Hyaluronate, Ascorbyl Methylsilanol Pectinate, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Lactococcus Ferment Lysate.

FPS 50 Sun Cream

A sunscreen with high photoprotection for the face with SPF 50. Contains Hyaluronic Acid and Sweet Almond Oil for intensive hydration and rapid absorption. **Protects against UV rays and photoaging, with photostable UVA/UVB filters.** Suitable for all skin types, even sensitive. With natural ingredients. Keep your skin protected and radiant every day of the year.

MAIN INGREDIENTS:
Ethylhexyl Methoxycinnamate, Zinc Oxide, Phenylbenzimidazole Sulfonic Acid, Cetearyl Olivate, Sorbitan Olivate, Prunus Amygdalus Dulcis Oil, Sodium Hyaluronate.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

50+ PA++++ Sun Cream

A high protection sunscreen with SPF 50+ and PA++++. Contains Hyaluronic Acid, Niacinamide and Rosemary extract for **very high and antioxidant protection**. Prevents sun damage, premature aging and hyperpigmentation. Suitable for all skin types, even sensitive. Ultra-light texture with immediate absorption. With natural ingredients. **Protect your skin 365 days a year.**

MAIN INGREDIENTS:
Ethylhexyl Ethylhexyl Methoxycinnamate, Methylene Bis-Benzotriazolyl Tetramethylbutylphenol, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine, Niacinamide, Cetearyl Olivate, Sorbitan Olivate, Sodium Hyaluronate, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Tocopheryl Acetate.

Body Milk FPS 50

Body milk high protection sunscreen that prevents burns and erythema. Its unique formula, with natural ingredients such as Hyaluronic Acid and Sweet Almond Oil, **repairs and prevents photoaging and dehydration.** With a light texture and matte finish, it is suitable for all skin types.
Protects against UVA and UVB rays. Ideal for the whole family.

MAIN INGREDIENTS:
Ethylhexyl Methoxycinnamate, Zinc Oxide, Phenylbenzimidazole Sulfonic Acid, Cetearyl Olivate, Sorbitan Olivate, Prunus Amygdalus Dulcis Oil, Sodium Hyaluronate.

After Sun Cream

After Sun Cream is **the ideal partner to take care of your skin after sun exposure**. Its light and easy-to-apply texture contains ingredients such as Hyaluronic Acid, Oats and Chamomile Extract that soothe and **intensely hydrate sun-irritated skin**. Helps repair and regenerate the skin, preventing flaking and prolonging the tan. With natural ingredients and with a refreshing effect. **Take care of your skin after the sun with After Sun Cream.**

INGREDIENTES PRINCIPALES:
Avena Sativa Kernel Flour, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Sodium Hyaluronate.

FPS 30 Sunscreen oil

Sunscreen oil with natural oils that safely **stimulate the generation of melanin, achieving a long-lasting tan and with SPF 30 sun protection.**

Suitable for all skin types, even sensitive. With ingredients such as Olive Oil, Coconut Oil and Almond Oil. **Moisturizes, brightens and improves skin elasticity, leaving skin soft and protected.**

MAIN INGREDIENTS:
Prunus Amygdalus Dulcis Oil, Ethylhexyl Methoxycinnamate, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine, Olea Europaea Fruit Oil, Cocos Nucifera Oil, Tocopheryl Acetate.

Immediate Tanner

Immediate Tanner gives you an instant, **long-lasting and natural tan without the need for prolonged exposure to the sun.** Its fast-absorbing formula nourishes and protects the skin, while its tanning effect brings out a golden tone on your skin. **Enjoy a radiant and healthy tan at any time.**

MAIN INGREDIENTS:
Cocos Nucifera Oil, Daucus Carota Sativa Seed Oil.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

SPF FUSION

SPF 50 sunscreen with an ultra-light texture and a touch of colour

Light sun protection for daily use that, in addition to guaranteeing high protection against UVB and UVA radiation, provides a natural colour coverage that conceals imperfections, **unifies the tone and ensures a healthy colour to our skin**.

Natural and light coverage that helps hide imperfections and unifies skin tone. Its light texture with a smooth, shine-free finish is instantly absorbed without leaving a greasy residue. Provides a delicate sensation of protection, a silky and matt finish on the skin. With sugars and moisturizing factors of natural origin whose action on the skin results in a higher and long-lasting hydration.

It defends your skin against dehydration caused by sun exposure. It prevents dry skin and provides a feeling of comfort for hours. Thanks to its ability to prevent transepidermal water loss, it protects and gives greater vitality and turgor to your skin.

MAIN INGREDIENTS:
Pentylene Glycol, Glycerin, Fructose, Urea, Maltose, Trehalose, Allantoin, Sodium Hyaluronate, Glucose, Titanium Dioxide, Talc, Cetearyl Olivate, Sorbitan Olivate.

MASKS

ALGAE-PEEL

Next Generation Professional Algae Masks

Alginates are anionic polysaccharides widely distributed in the cell walls of brown marine algae. Alginates correspond to organic polymers derived from alginic acid, such as D-Manuric and L-guluronic, two monomeric units joined by 1,4 links.

The alginate present in brown algae is located in the intercellular matrix in gel form and **its main function is to act as support, supplying strength and flexibility to the fine tissue of algae.**

From the combination of alginates, kaolin and rice starch is born ALGINASINE, a plastic film able to establish a vehicle, through the skin, for the properties of the active ingredients found on its composition, obtaining fast and efficient results favouring the elimination of toxins of the body.

HOW DO ALGINASINE MASKS WORK?

Their main function is to introduce actives on the skin through saturation or occlusion. Masks have great level of applications, that vary depending on the actives combined; **nutrient supply (balancing moisture or natural ph of the skin), lipid normalization, collagen and elastin regeneration or cell renewal regeneration.**

Basic
Hydration

Mask with a high content of moisturizing substances that take advantage of the hydrating properties of **diatom algae extract to restore the skin's natural moisture balance.**

MAIN INGREDIENTS:
Alginic Acid, Calcium Sulfate, Oryza Sativa Starch, Talc, Kaolin, Diatomaceous Earth, Potassium Pyrophosphate.

Stem Cells
Cell Invigorating Action

Mask that enhances cellular vitality. Thanks to the vegetable proteins of the pea, the cellular functions of the skin are revitalized and reinforced, achieving a younger and more luminous skin. **Its anti-aging effect helps to blur the appearance of lines and wrinkles, achieving younger and more cared for skin.**

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Calcium Sulfate, Oryza Sativa Starch, Talc, Kaolin, Potassium Pyrophosphate, Hydrolized Pea.

Vivify
Oxygenating Action

Mask with a high concentration of glycoproteins and aminoacids that fuse to **increase skin cell respiration**. Get a skin with more energy thanks to the **increase in molecular oxygen that enhances all vital functions and extends the life of our cells.**

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Calcium Sulfate, Oryza Sativa Starch, Talc, Kaolin, Potassium Pyrophosphate, Glycoproteins, Parfum, C.I. 77019, C.I. 77891, C.I. 73360.

Calming
Soothing Action

Mask with soothing properties obtained from the synergy of natural extracts of centella asiatica, rosemary, chamomile and liquorice. It is high in vitamins A, B and E, what reduce the damaging effects of environmental factors on the skin. It manages to calm and soften the skin with a long-lasting effect.

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Calcium Sulfate, Oryza Sativa Starch, Talc, Kaolin, Potassium Pyrophosphate, Chamomilla Recutita Flower Extract, Parfum, CI 77289.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

Immediate Lifting

Lifting Effect

Mask that **eliminates the signs of fatigue, reaffirms the skin and brings youth to the face**. Its lifting effect is immediate and prevents flaccidity, promoting smooth skin throughout the facial oval. It manages to return the tone and firmness of the face and neck.

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Calcium Sulfate, Oryza Sativa Starch, Talc, Kaolin, Potassium Pyrophosphate, Avena sativa (Oat) Kernel Extract.

Age Repair

Anti-Oxidant Action

Mask containing blueberry extract and vitamin E. The mixture of these components **exerts a barrier effect on the skin that manages to reduce the oxidation of the epidermis while stimulating and protecting the skin.** Blueberry extract provides high-quality protein, a high content of amino acids and B vitamins, leaving the skin looking youthful and revitalized.

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Calcium Sulfate, Oryza Sativa Starch, Talc, Kaolin, Potassium Pyrophosphate, Vaccinium Myrtillus Leaf Extract, Sodium Benzoate, Citric Acid, Tocopheryl Acetate, Ascorbic Acid.

Anti Couperose

Anti-Couperose Action

Perfect anti-rosacea mask for sensitive, reactive skin with redness due to epidermal fragility.

It reduces redness by providing a high dose of hydration thanks to the effect of Ginkgo Biloba extract, glucose and glycoproteins that, at the same time, inhibit the symptoms of reactive skin

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Cal-cium Sulfate, Oryza Sativa Starch,Talc, Kaolin, Potassium Pyrophosphate, Propylene Glycol, Ginkgo Biloba Leaf Extract, Glucose, Lactic Acid, Glycoproteins, Glutamic Acid, Valine, Threonine.

White

Anti-Spot Action

Anti-blemish mask formulated based on algae and active ingredients of natural origin for use in localized areas with an action that inhibits the formation of spots, in addition to being antioxidant and moisturizing. It contains daisy extract with high content of polyphenols that act against excessive pigmentation without irritating the skin, reducing the synthesis of melanin by intervention in the different phases of the melanogenesis process.

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Calcium Sulfate, Oryza Sativa Starch, Talc, Kaolin, Bellis Perennis (Daisy) Flower Extract, Potassium Pyrophosphate, Parfum, Benzyl Alcohol.

B-Like

Rejuvenating

Rejuvenates, fills and visibly reduces the deepest wrinkles. Contains a protein biosimilar to botox that penetrates the epidermis and inhibits muscle contraction, preventing the formation of new signs of aging, reducing the appearance of furrows and loss of skin turgor.

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Calcium Sulfate, Oryza Sativa Starch,Talc, Kaolin, Potassium Pyrophosphate, Glycerin, Dipeptide Diaminobutyroyl Benzylamide Diacetate, Ca-prylyl Glycol, Acetyl Hexapeptide-8.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

Hyaluforce
Deep Hydration Action

Mask with a high concentration of hyaluronic acid that enhaces the retention of water molecules in the skin, achieving a smoother epidermis with fewer wrinkles. The absorption of water manages to restore the natural water balance, protecting the skin from dehydration.

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Calcium Sulfate, Oryza Sativa Starch, Talc, Kao-lin, Hyaluronic Acid, Parfum, Potassium Pyrophosphate.

Caviar
Anti-Age Action

Mask that contains an explosion of vitamins and energy for damaged, dry and dehydrated skin. Caviar extract contains vitamins A, D, E and C, microelements, proteins and phospholipids, which provide the skin with a powerful anti-aging action. Perfect for use on dry skin that needs extra nourishment.

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Calcium Sulfate, Oryza Sativa Starch, Talc, Kaolin, Potassium Pyrophosphate, Caviar Extract.

Rose Petals
Regenerative Action

Mask enriched with glycoproteins and essence of rose petals that contain vitamins A, B and D along with enzymes that regenerate and soften the skin. Its emollient action stimulates the generation of new cells, preventing irritation, toning and soothing the skin.

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Cal-cium Sulfate, Oryza Sativa Starch, Talc, Kao-lin, Potassium Pyrophosphate, Rosae Rubae, Glycoproteins.

Goldbright
Glowing Action

Mask with ingredients that enhance luminosity and reduce wrinkles for the treatment of tired and dull skin. With an antioxidant complex that activates the skin's natural luminosity, it provides a radiant tone full of energy.

MAIN INGREDIENTS:
Sodium Alginate, Diatomaceous Earth, Calcium Sulfate, Oryza Sativa Starch, Talc, Kaolin, Glycoproteins.

SUNDAY MASKS FACIAL

Facial Tissue Masks

Among the most cherished beauty rituals for those looking to pamper their skin, tissue masks have become an essential. Inspired by the latest trends, **these single-use masks combine convenience, innovation, and effectiveness in one single step.**

Featuring a "second-skin" design with materials that perfectly adapt to the face to enhance the absorption of its active ingredients. **Hydrating, brightening, purifying, soothing, or anti-aging: there is a tissue mask for every skin type and need.**

Perfect for a moment of personal care or as part of an intensive facial routine, these masks offer visible results from the first application. The best part: you can easily integrate them into your weekly routine, whether as a relaxing nightly ritual or a boost of radiance before an event.

Explore our collection and find the ideal mask for your skin.

WRP Face

Especially indicated to combat signs of aging. This mask combines collagen, elastin, and anti-aging peptides to smooth wrinkles, re-densify the skin, and restore its natural elasticity. **Perfect for those looking for a firming action and an immediate plump finish.**

MAIN INGREDIENTS:
Collagen, Elastin, Palmitoyl Tripeptide- 5, Hyaluronic Acid, Acetyl Hexapeptide-8.

Sensitif Face

Formulated with soothing natural extracts, this mask is designed **for sensitive or reactive skin**. It reduces discomfort, soothes redness, and **provides gentle but deep hydration**, leaving the skin balanced and comforted.

MAIN INGREDIENTS:
Phragmites Kharka Extract, Poria Cocos Extract.

Illuminate Face

With daisy flower extract and humectant sugars, this mask improves **skin clarity and provides deep, long-lasting hydration.** Ideal for skin with spots or lack of radiance.

MAIN INGREDIENTS:
Bellis Perennis (Daisy) Flower Extract, Fructose, Urea, Maltose, Trehalose, Allantoin, Sodium Hyaluronate.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

SUNDAY MASKS

FACIAL

Facial Tissue Masks

Glycanforce Face

An advanced formula that combines proteoglycans, niacinamide, and vitamin C. This mask **improves the firmness, elasticity, and radiance of the face, helping to redefine contours and restore vitality** to mature or lackluster skin.

MAIN INGREDIENTS: Soluble Proteoglycan, Niacinamide, Ascorbyl Methylsilanol Pectinate, Hydrolyzed Soy Protein, Gluconolactone, Fructose, Urea, Maltose, Trehalose, Allantoin, Sodium Hyaluronate, Glucose, Mannitol.

Vita C Face

A revitalizing mask **that provides an extra boost of light to dull skin**. With stabilized vitamin C and oat extract, **it evens out the tone, combats oxidative stress, and enhances the skin's natural radiance.** Ideal before an event to achieve a "good face" effect.

MAIN INGREDIENTS:
Ascorbyl Methylsilanol Pectinate, Avena Sativa Kernel Extract, Linoleic Acid, Linolenic Acid.

Hyaluforce Face

A true hydration bath for your skin. Its high content of low molecular weight hyaluronic acid **instantly plumps, hydrates, and smooths.** Ideal for all skin types, especially those showing signs of dehydration or volume loss.

MAIN INGREDIENTS:
Hyaluronic Acid.

Oil Control Face

Designed for combination or oily skin prone to shine. Thanks to its purifying and calming actives, it regulates sebum production, **helps clean pores, and leaves the skin fresh, matte, and without a tight feeling.**

MAIN INGREDIENTS: Bioflavonoids, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

SUNDAY MASKS

FACIAL

Facial Tissue Masks

Niacinamida Face

Ideal for dull, dehydrated, or uneven-toned skin. This mask **boosts radiance and improves skin texture thanks to niacinamide**, a balancing and soothing active. Its formula is enriched with botanical extracts that reduce redness and strengthen the skin barrier, **leaving the skin softer and more even.**

MAIN INGREDIENTS:
Niacinamide, Sodium Hyaluronate, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

Retinol Face

A powerful mask with renewing action. Formulated with retinyl palmitate (a retinol derivative), **it visibly improves expression lines, rough texture, and uneven tone**. Ideal for mature skin or skin with first wrinkles, **it provides softness, firmness, and a rejuvenated appearance after each application.**

MAIN INGREDIENTS:
Retinyl Palmitate, Ascorbyl Methylsilanol Pectinate, Mannitol, Linoleic Acid, Linolenic Acid, Tripleurospermum Maritimum Extract, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

Copper Cocktail Face

A true revitalizing treatment for tired skin. With biomimetic peptides and copper tripeptide-1, it stimulates the natural production of collagen and elastin. Ideal for combating signs of fatigue, restoring firmness, and giving the skin a rested, firm, and younger appearance.

MAIN INGREDIENTS:
Acetyl Hexapeptide-8, Copper Tripeptide-1, 1,2-Hexanediol, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Dipeptide Diaminobutyroyl Benzylamide Diacetate, Fructose, Urea, Maltose, Trehalose, Allantoin, Sodium Hyaluronate, Glucose.

HOW TO USE

1. Clean your face
2. Clean your face
3. Leave it on for 20 minutes.
4. Remove the mask
5. Perfect skin

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

SUNDAY MASKS EYES

Eyes Tissue Masks

The delicate eye contour area deserves special care, and our eye tissue mask is designed precisely for that. Soaked in the formula of your choice, **it helps reduce signs of fatigue like dark circles, puffiness, and bags, providing an immediate refreshing effect.**

Thanks to its anatomical shape and lightweight fabric, **it perfectly adapts to the eye contour to effectively release its ingredients.** It is the perfect ally to recover a rested and bright-eyed look in just 15 minutes.

Perfect to use before an event, after a long day, or as part of your nightly routine. For an extra effect, store it in the refrigerator and enjoy an even more refreshing sensation.

Try it and transform your look with every application.

Niacinamida Eyes

Visibly reduces dark circles and adds radiance to the eye contour. The combination of niacinamide and soothing extracts works by decongesting and deeply hydrating. Ideal for recovering a fresh look.

MAIN INGREDIENTS:
Niacinamide, Sodium Hyaluronate, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract

Copper Cocktail Eyes

Stimulates microcirculation and combats eye fatigue with a unique blend of peptides and minerals. **It helps smooth fine wrinkles and improves firmness**, perfect for eye contours showing signs of tiredness or aging.

MAIN INGREDIENTS:
Acetyl Hexapeptide-8, Copper Tripeptide-1, 1,2-Hexanediol, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Dipeptide Diaminobutyroyl Benzylamide Diacetate, Fructose, Urea, Maltose, Trehalose, Allantoin, Sodium Hyaluronate, Glucose.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

Retinol Eye

Intensive treatment to smooth wrinkles and fine lines around the eyes. Its regenerating formula helps **improve texture and provides firmness to the delicate skin of the eye contour,** with a progressive and effective action.

MAIN INGREDIENTS:
Retinyl Palmitate, Ascorbyl Methylsilanol Pectinate, Mannitol, Linoleic Acid, Linolenic Acid, Tripleurospermum Maritimum Extract, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

WRP Eye

A firming and anti-wrinkle mask that hydrates deeply, thanks to hyaluronic acid and collagen. Ideal for a rejuvenated look, with a visible tightening effect from the first application.

MAIN INGREDIENTS:
Collagen, Elastin, Palmitoyl Tripeptide- 5, Hyaluronic Acid, Acetyl Hexapeptide-8.

Illuminate Eye

Adds clarity and radiance to the look. Its brightening formula works on dark spots around the eyes, reducing the appearance of dark circles and leaving the skin visibly more radiant.

MAIN INGREDIENTS:
Bellis Perennis (Daisy) Flower Extract, Fructose, Urea, Maltose, Trehalose, Allantoin, Sodium Hyaluronate.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

BUBBLE MASKS

Rapid Performance Targeted Bubble Masks

There is a continuous increasing demand for every-day products that will perform immediately.
We live in the culture of immediacy, where **more and more consumers are lookin for instant results**, no wait times, requiring results in record time. **BUBBLE MASK is the perfect product for those customers.**

Charcoal

Based on Bamboo Charcoal, it is a multi-action foaming mask that immediately performs as a deep cleanser, refining pores, supplying hydrating, smoothness and refreshin effect on the skin.

MAIN INGREDIENTS:
Bamboo Charcoal.

Oxygenating

It is focused on recovering and improving our skin appearance. **It neutralizes all toxic agents** and leaves skin with a yout ful, fresh and radiant look. Increases blood flow which is essential for a transport of oxygen to mitochondria. It works on different levels such as, cellural respiration, anaerobic glycolysis, mitochondria regenaration, mitocondria protection and cell renovation.

MAIN INGREDIENTS:
Glycoproteins, Glutamic Acid, Valine, Threonine.

Sensitive

Skin soothening and healing formula dedicated to atopic dermatitis skin or irritable sensory skin. Combats skin dryness, itching, inflammation and abnormal pigmentation. Helps in recovering skin barrier funcions.

MAIN INGREDIENTS:
Centella Asiatica Extract, Polygonum Cuspi-datum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

WAY OF USE

Bubble Mask can be used either with cleansed or uncleansed skin due to its cleansing properties.

1. Apply a thick layer of Bubble Mask in the skin with a light massage. Do not rub.

2. As soon as it is applied, the mask will begin its effect by transforming into bubbles that will provoke an intense tingling funny effect on the skin.

3. Let the mask perform until desired. The results are noticeable from the 1st minute. If the Bubble Mask is used as a make-up remover, gently massage onto the face until all residues disappear.

4. Remove with warm water.

Bubble Mask can be used as many times as desired. It has no side effect and it has been dermatologically tested.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

MAGNET PORE LIFT DETOX MASK

Deep Cleansing with Pore Minimizing

Science is magic.

Magnetic skin therapy has been used for thousands of years as a novel way of healing and rejuvention.
Keeping these ancient techniques in mind, we have given our magnet mask a new age twist by infusing it with advanced peptides, hydrators and healers.

What if we are able to lift skin surface impurities, dead cells, make up residues, pollutants, deep seated grime with the help of magnetic therapy?
Our botanical infused activated charcoal mask charged with iron particles will offer a **deep cleansing solution that will leave skin supernaturally cleansed and refreshed unlike any topical cleanser in the market.**

The magnetic head of the lifting device will effortlessly lift up the metallic components in the mask and carry all adjacent impurities with it.
The result is real-time deep level cleansing, healing & hydration. Additional benefits are gentle coaxing of sluggish skin circulation as micro-currents are generated during removal resulting in revival of aging skin functions.

Benefits of Magnetic Mask

MAGNET MASK is a mini facial treatment in a jar.

Deep pore cleansing

Delivers skin-reviving micro-currents

Lifting air and smog pollutants from skin surface

Removing stubborn make-up residue

Perfect for MUA's & heavy Theatre make-up residue

Skin calming

Prevents comedone formation

Skin softening and enhanced hydration

Prevents acne

Facial congestion will be reduced

Pores appear smaller

Long term use will result in diminished fine lines as skin functions are reawakened

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

MAKE-UP

CLEO

High Performance High Impact Make-Up

Our skin care products perform amazingly in your skin and our MAKE-UP products, will help you to accentuate such results.

BB Cream

Tone corrective protective moisturizing cream. With tone correction smart technology we help you recover vitality in the skin. **In a few seconds, you will achieve a luminous appearance.** It also provides the benefits of a treatment, since it raises the skin's hydration levels considerably, thus offering an incredible sensation of comfort. Its formula without occlusive oils and sunscreen, **allows your skin to have a better look throughout the day.**

MAIN INGREDIENTS:
Phenylbenzimidazole Sulfonic Acid, Ascorbyl Methylsilanol Pectinate, Pigments.

Hyper-moisturizing makeup

Light texture gel makeup that becomes a refreshing cream when applied to the skin. Whether you need a thin or thick layer, **the comfort and fresh feeling lasts all day.** It does not create brightness, obstruct pores nor mark expression lines. Its unique formula supplies **deep moisturizing while creating a flawless look.**

MAIN INGREDIENTS:
Hyaluronic Acid, Hamamelis Virginiana (Witch Hazel) Extract, Urea, Serine, Alanine, Proline, Pigments.

Primer & Fixer

It fills imperfections gliding easily and drying instantly leaving a matte finish that will become the **perfect canvas for an impeccable foundation application that prolongs the duration of makeup.**

The oil-free formula is enriched with minerals to absorb fat and reflect light, helping to reduce the appearance of fine lines, wrinkles and pores. When used alone, it continues to provide benefits that improve the appearance of the skin, unifying the texture and improving the appearance of the skin.

It can be used with any of the makeup bases. Suitable for all skin types, including sensitive skin. Without fragrance, dermatologically tested and non-comedogenic.

MAIN INGREDIENTS:
Gellan Gum, Urea, Yeast Amino Acids, Trehalose, Inositol, Taurine, Betaine.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

TREATMENTS

SENSITIF

Ultimate Dry Skin Repairing Treatment

The skin is the most important and one of the most complex organs of the body.

It is the only organ that faces daily physical insults resulting in sensitive, dry and unhappy skin. In fact, DQLI indexes have shown that psychological disorders can result due to acute and chronic skin issues. It is the first physical barrier against the outside, besides having multiple functions such as the sense of touch, body temperature regulation, body moisture maintenance and being the first barrier of the immune system. It is also a reflection of our psycho-emotional mood.

Skin sometimes is characterized by its sensitivity. **Sensitive skin is more reactive to the environment or internal disorders, causing irritations, allergies and other skin issues.**

Sensitivity may appear in any type of skin, either oily, dry, normal or a combination.

Nourishing Cream

Intense nourishment with an extra-comfortable texture. Strengthens the skin barrier without irritation.

MAIN INGREDIENTS:
Rosa Canina Fruit Oil, Butyros-permum Parkii (Shea) Butter, Jojoba Esters, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Bai-calensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Offi-cinalis (Rosemary) Leaf Extract.

Intense Care Body Lotion

Deep, restorative hydration for the body. Soothes dry, reactive skin.

INGREDIENTES PRINCIPALES:
Rosa Canina Fruit Oil, Butyrospermum Parkii (Shea) Butter, Jojoba Esters, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extrzzact, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

Soothing Facial Cream

Soothes and reduces skin redness. Protects the skin from external aggressions.

MAIN INGREDIENTS:
Rosa Canina Fruit Oil, Butyros-permum Parkii (Shea) Butter, Jojoba Esters, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Bai-calensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Offi-cinalis (Rosemary) Leaf Extract.

Soft Micellar Water

Gently cleanses without irritation. Removes impurities while respecting sensitive skin.

INGREDIENTES PRINCIPALES:
Butyrospermum Parkii Oil, Rosa Canina Fruit Oil, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

PERFORMANCE

Anti-inflammatory effect.

Immunoregulatory effect.

Reduce la producción de interleucinas 2 y 8.

Reduces TNF alpha production.

Decrease the eczema area.

Minimizes transepidermal water loss.

Stimulates the correct functioning of the immune system.

Allergen free.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

WHITENOW

Melanin Stabilizing Line

WHITENOW is an efficient cosmetic complex developed to homogenize and lighten the skin interfering in the formation of melanin, the natural pigment responsible for the color of the skin known medically as Skin Phenotype.

WHITENOW is evaluated, based on the activity of theenzyme tyrosinase extracted from mushrooms that has the ability to inhibit the activity of the enzyme obtaining a brightening efficiency without any toxicological response such as eye irritation, phototoxicity or skin sensitivity.

The efficacy and stability in formula of WHITENOW are clinically proven. It exerts a photoprotective effect (prevention of cutaneous damage induced by UV rays) provide results in only two months, giving a more homogenous and less dark skin tone, reducing the hyperpigmented areas and protecting skin from future pigmentation.

Whitenow Cream

- Homogenizes and lightens the skin.
- **Interferes in the formation of melanin, the natural pigment responsible for the color of the skin.**
- Brightening efficiency without any toxicological effect.
- **The efficacy and stability in formula of Whitenow are clinically proven.**

MAIN INGREDIENTS:
Bellis Perennis (Daisy) Flower Extract, Dimethylmethoxy Chromanyl Palmitate.

Whitenow Ampoules

- NATURAL ORIGIN brightening action thanks to daisy extract.
- **Helps to continuously reduce pigmentation and dark spots.**
- Helps reduce accumulated pigment deposits in the skin.
- **Promotes a more even and radiant complexion.**
- Helps prevent the appearance of new dark spots.
- **Helps protect the skin from solar radiation.**
- Helps defend the skin against environmental pollution.
- **Improves the skin's overall appearance and radiance.**

INGREDIENTES PRINCIPALES: Bellis Perennis (Daisy) Flower Extract, Sodium Hyaluronate.

Whitenow Peeling

- High penetration power in the skin.
- **Low molecular weight.**
- Recommended for numerous skin problems like acne, seborrheic dermatitis, aging, stretch marks, skin spots, hyperkeratosis (thickening of the most superficial layer of the skin), and Xerosis (dry skin and desquamation).
- **Protects collagen and the elastin of the skin, helps to renew epidermis completely.**
- It causes a chemical and non-abrasive peeling of the skin.
- **It helps to eliminate blemishes.**
- Decreases the thickness of the corneous layer of the skin.
- **Increases the hydration capacity of the skin and eliminates impurities.**

MAIN INGREDIENTS:
Glycolic Acid.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

OIL CONTROL

Complete Acne-Controlling Series

Powerful anti-seborrheic line with anti-bacterial properties that exercises an inhibition effect on inflammation that is the key pathological basis of acne formation. It effectively reduces the impurities of the skin and improves its appearance. Recommended for oily skin with a tendency towards acne formation.

Serum

Refreshing serum suitable for young people or people with imperfections. It has anti-inflammatory and antibacterial properties. Thanks to its contents of Vitamin E, also it is antioxidant and it promotes skin's radiance.

MAIN INGREDIENTS:
Rosa Canina Fruit Oil, Butyros-permum Parkii (Shea) Butter, Jojoba Esters, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Offi-cinalis (Rosemary) Leaf Extract.

Scrubble

It produces a very light peel that is harmless to the skin's natural barrier, while removing superficial dead cells. Its usage becomes a unique experience while massaging the Green particles until fully absorbed.

MAIN INGREDIENTS:
Sodium Salicylate, Plantago Lanceolata Leaf Extract, Berberis Aquifolium Extract, Jojoba Esters.

Micellar Water

Specially designed to cleanse oily skins. It removes make up (including eyes make up) without the addition of harsh surfactants**.**

MAIN INGREDIENTS:
Cocamidopropyl Betaine, Iris Florentina Root Extract, Zinc sulfate, Retinyl Palmitate, Salicylic Acid.

Purifying Cream

This cream offers a keratolytic effect thanks to Salicylic Acid, a therapeutic grade acne controlling BHA. It prevents against blockages of the sebaceous glands thus preventing comedone formation-nipping acné in the bud.

Prevents against subsequents inflammation occurences of the skin and it has antibacterial effect.

MAIN INGREDIENTS:
Sodium Salicylate, Plantago Lanceolata Leaf Extract, Berberis Aquifolium Extract.

Peeling

- High penetration power in the skin.
- **Low molecular weight.**
- Recommended for numerous skin problems like acne, seborrheic dermatitis, aging, stretch marks, skin spots, hyperkeratosis (thickening of the most superficial layer of the skin), Xerosis (dry skin and desquamation), etc.
- **Protects the collagen, and the elastin of the skin, helps to renew epidermis completely.**
- It reduces a chemical and non-abrasive peeling on the skin.
- **It helps to eliminate blemishes.**
- Decreases the thickness of the corneous layer ofthe skin.
- **Increases the hydration capacity of the skin and eliminates impurities.**

MAIN INGREDIENTS:
Glycolic Acid.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

WRP

Wrinkle Removal Programme

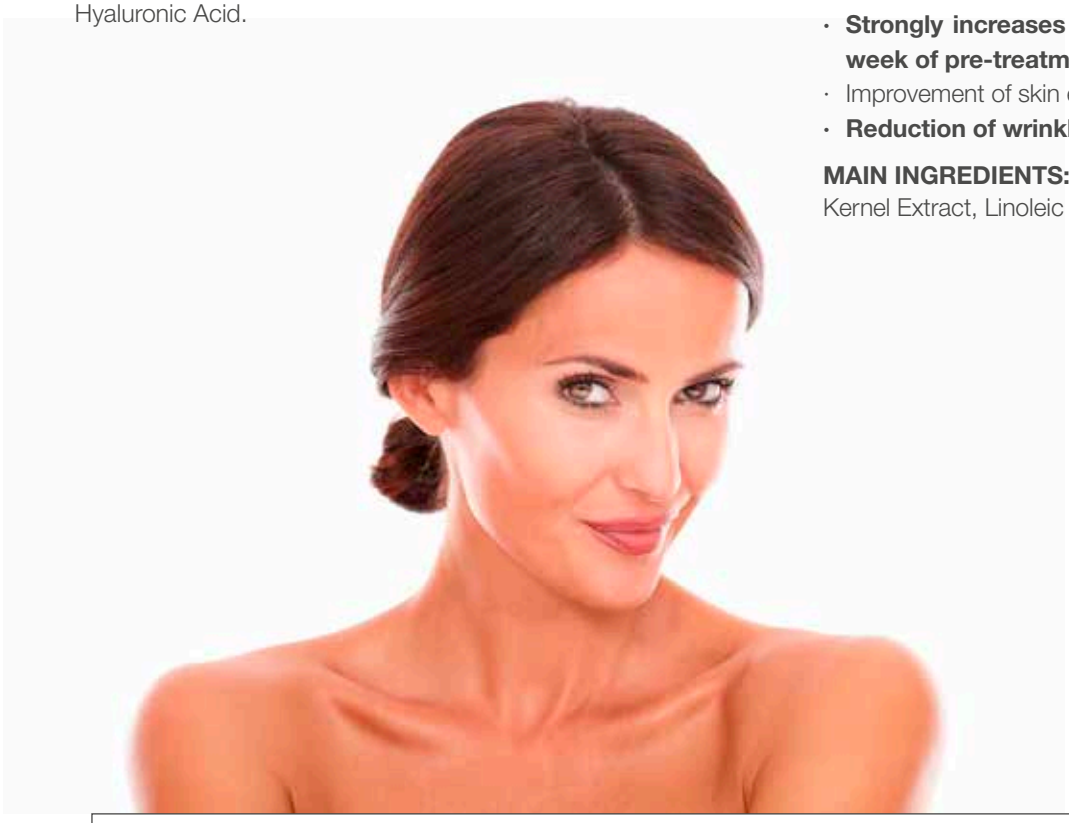
Several factors cause facial aging. Whether hereditary, environmental, physiological changes or due to the nature of the skin itself, **these factors make the appearance of wrinkles or expression lines inevitable from the age of 30 onwards.**

In addition, there are other physical factors that we perform unconsciously, such as facial expressions, frowning, the position in which we sleep, etc., which cause a contraction of the facial muscles that over time form unwanted wrinkles or expression lines.

Eye Filler Serum With Low Mollecular Weight Pure Hyaluronic Acid

· Improves skin permeability.
· **Improves firmness.**
· Maintain water in the skin
· **Increasing skin elasticity**
· Wrinkle filler
· **Promotes the synthesis of collagen type I.**
· Penetrates into the deep layers of the skin.
· **Increases the proliferation of fibroblasts in the skin.**
MAIN INGREDIENTS: Hyaluronic Acid.

MAIN INGREDIENTS:
Hyaluronic Acid.



Xtreme Cream With Placentum

· **Stimulation of collagen (type I) biosynthesis, mantaining a higher energy level after UV irradiation.**
· Stimulates key genes for improving mitochondrial respiration.
· **Activation and stabilization of tumor suppressor gene p53.**
· Strongly reduces TT-Dimer formation and stimulates DNA repair in skin models and epidermal stem cells.
· **Reduction of apoptotic cells (a cell process as a result of cell damage activates a cascade of molecular events that culminate in total disintegration of the cell).**
· Reduction of skin redness after UV irradiation.
· **Strongly increases tolerance against UV light after 1 week of pre-treatment. Increase in skin smoothness.**
· Improvement of skin elasticity / Increase in skin firmness.
· **Reduction of wrinkle depth.**

MAIN INGREDIENTS: Phytoplacenta Extract, Avena Sativa Kernel Extract, Linoleic Acid, Linolenic Acid, Glycoproteins.

NATURAL ORIGIN: Producto With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

ULTIMA

Clinically Proven Argireline® Age-Defying Line

Several factors cause facial aging. Whether hereditary, environmental, physiological changes or even by the very nature of the skin, these factors make appearance of wrinkles or fine lines from the 30 years of age unavoidable.

In addition, there are other physical factors, that we make unconsciously, such as expressions, frowning, the position in which we sleep, etc. that cause a contraction of the facial muscles, eventually generating the unwanted wrinkles or expression lines.

ULTIMA minimizes muscle contraction and thereby reduces the formation of fine lines and reduces wrinkles, thanks to the use of Argireline molecule and Caviar Extract.

Cream

Crema de textura nutritiva y envolvente que combina activos intensivos con una experiencia sensorial única. Su fórmula ayuda a mejorar la firmeza y elasticidad de la piel, proporcionando un efecto lifting visible y una nutrición extrema desde la primera aplicación.

Enriquecida con Acetyl Hexapeptide-8 y extractos naturales de avena, margarita y arándano, ayuda a suavizar la apariencia de las líneas de expresión, unificar el tono y aportar confort y luminosidad. La piel luce más tersa, revitalizada y profundamente cuidada.

INGREDIENTES PRINCIPALES: Acetyl Hexapeptide-8, Avena Sativa (Oat) Kernel Extract, Bellis Perennes (Daisy) Flower Extract, Vaccinium Myrtillus Leaf Extract.

PERFORMANCE

Destabilizes the SNARE protein complex reversibly.

Reduces the formation of wrinkles and fine lines.

Modulates neurotransmitter release.

Modulates neurotransmitter release.

Immediate tensor effect by its action against wrinkling of topical application.

Nourishes the epidermis of phospholipidsand essential glycoproteins.

Antioxidant effect based of Omega 3.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

HYALUFORCE

Advanced Low Molecual Weight Hyaluronic Acid Complex

Hyaluronic acid is present in almost all tissues and biological fluids. It is a nearly ubiquitous compound, although its presence is larger in the extracellular matrix of soft connective tissue.

Almost half of hyaluronic acid in the human body is formed in the skin, being most of it located in the intercellular space. It can also be found in the cartilage or in the synovial fluid.

With aging, hyaluronic acid concentrations are decreasing progressively generating less elastic and less turgid skin, which justifies its use as an active ingredient in antiaging cosmetics.

Serum

Concentrado de ácido hialurónico de bajo peso molecular. Hidrata en profundidad y redensifica la piel al instante.

MAIN INGREDIENTS:
Low-Molecular-Weight Hyaluronic Acid.

Eye Contour Serum With Vitamin C & HA

Corrector dermatológico de las arrugas del contorno de ojos enriquecido con Vitamina C y el complejo cosmético Hyaluforce.

MAIN INGREDIENTS: Ascorbyl Methylsilanol Pectinate, Hyaluronic Acid, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

PERFORMANCE

Improves skin permeability.
Improves skin permeability.
Maintain water in the skin.
Increasing skin elasticity.
Increasing skin elasticity.
Promotes the synthesis of collagen type I.
Promotes the synthesis of collagen type I.
Increases the proliferation of fibroblasts in the skin.

Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

PLACENTUM

Next Generation Placental Science

In the beginning of 20th century, studies carried out by European scientists showed that the use of human placenta in medical and aesthetic treatments led to a regeneration of the tissues permitting the emergence of freshness and youth.

It has been scientifically proven that due to the high bio-compatibility with humans, both ovine and bovine placenta could be used with identical results.

Now, in the 21st century, when current trends lead to animal-free raw materials, PLACENTUM offers a vegetal Phytoplacenta supplying the same stimulating effect on the new improved cells, without animal origin ingredients.

PLACENTUM, the scientific substitute for the animal-derived placenta extract was born. Isn't that innovation at its best? We agree, as will you.

Eye Contour Cream

Corrige bolsas, ojeras y arrugas finas. Textura ligera que revitaliza la mirada.

MAIN INGREDIENTS: Glycine Soja (Soybean) Phytoplacenta Extract, Glycoproteins, Avena Sativa (Oat) Kernel Extract, Plankton Extract, Linoleic Acid, Linolenic Acid.

Eye Contour Gel

Textura gel que desinflama y descongestiona.

MAIN INGREDIENTS: Glycine Soja (Soybean) Phytoplacenta Extract, Glycoproteins, Avena Sativa (Oat) Kernel Extract, Plankton Extract, Linoleic Acid, Linolenic Acid.

Day Cream

Hidratación natural para todo el día. Prepara la piel para el cuidado diario.

MAIN INGREDIENTS: Glycine Soja (Soybean Phytoplacenta Extract, Glycoproteins, Avena Sativa (Oat) Kernel Extract, Linoleic Acid, Linolenic Acid.

Essence Serum

La potencia de un sérum que unifica e ilumina.

MAIN INGREDIENTS: Glycine Soja (Soybean) Phytoplacenta Extract, Glycoproteins, Avena Sativa (Oat Kernel Extract, Plankton Extract, Linoleic Acid, Linolenic Acid.

PERFORMANCE

Stimulation of protein and collagen (type I) biosynthesis.

Maintenance of a higher energy level after UV irradiation.

Activation and stabilization of tumor suppressor gene p53.

Strongly reduces TT-Dimer formation and stimulates DNA repair in skin models and epidermal stem cells.

Reduction of apoptotic cells.

Reduction of apoptotic cells.

Strongly increases tolerance against UV light after 1 week of pre-treatment.

Increase in skin smoothness, improvement of skin elasticity, increase in skin firmness.

Reduction of wrinkle depth.

NATURAL ORIGIN: With Natural ingredients. Vegan.

O2-STEM

Advanced Stem Cell & Oxygen Infusion Line based on Circadian Rhythm

Skin may seem like just a cover for most people. However, **it is the largest organ in the human body and it is responsible of protecting it from external aggressions as well as maintaining communication with the rest of the organs** to reveal injuries or diseases.

Human skin is the largest depository of adult stem cells in the body but the decrease of stem cell activity caused by the passage of time leads to skin deterioration. Also, the level of cell energy gets affected by the circadian rhythm; a good cell oxygenation (performed within the mitochondria) will be vital to maintain the stem cells under perfect condition.

O2-STEM actively stimulates the mitochondria to oxygenate the skin; thus activating stem cells.

Serum

Fórmula con gran variedad de activos. Resuelve múltiples preocupaciones de la piel.

MAIN INGREDIENTS: Glycoproteins, Hydrolized Pea, Sodium Hyaluronate, Retinyl Palmitate, Tocopheryl Acetate.

Vials

Concentrado intensivo.

MAIN INGREDIENTS: Glycoproteins, Hydrolized Pea, Sodium Hyaluronate.

Cream

Textura ligera y nutritiva con toda la potencia de los activos para un cuidado intenso.

MAIN INGREDIENTS: Glycoproteins, Hydrolized Pea, Sodium Hyaluronate.

PERFOMANCE

Stem cell activation.
Skin cell activation.
Simulation of collagen production by fibroblast.
Producción de fibroblastos.
Inhibition of collagenase.
Stem cell proliferation.
Cytokine profiling.
Fibroblast activation.
Collagen production increase.
Anti-wrinkle.
Increase of the anaerobic.
Glycolisis.
Cell renewal.
Protects longevity of stem cells.
Delays the aging of the essential cells.
Fights chronologic aging.

NATURAL ORIGIN: With Natural ingredients. Vegan. Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

AMPLIFY

Total Skin Correcting Advanced Ampoules

Ultra-nourish

It contains Royal Jelly's purified extract, one of the natural ingredients with highest content of nutrients found in all of nature. It is a superb nutrient supplier to the skin.

COSMETIC PROPERTIES: Elaborated through the most traditional beekeeping, it supplies a massive contribution of nutrients to our skin, nourishing and hydrating it at all levels, reducing dryness and tightness immediately.

MAIN INGREDIENTS: Royal Jelly.

Wrinkle Replenish

Elaborated through the most traditional beekeeping, it supplies a massive contribution of nutrients to our skin, nourishing and hydrating it at all levels, reducing dryness and tightness immediately.

COSMETIC PROPERTIES: In addition to age defying, this ampoule protects the skin from UV radiation, enhances the barrier function of the skin by protecting it against the sun, the main cause of skin aging.

MAIN INGREDIENTS: Collagen.

Whitenow

Based on daisy flower extract, a powerful botanical active with whitening action that acts on a long term continous method if used regularly.

COSMETIC PROPERTIES: It acts on two levels. First, reducing the deposits of extra pigments in the skin that provoke skin blemishes. Secondly, helping to protect the skin from the sun's rays that causes the formation of new spots. Hence, both treatment and prevention are covered if used regularly.

MAIN INGREDIENTS: Bellis Perennis (Daisy) Flower Extract, Sodium Hyaluronate.

Oil Control

Active based on carefully chosen natural extracts that purifies the skin, eliminating the bacteria that cause acne due to its antiseptic effect.

COSMETIC PROPERTIES: It reduces the bacterial growth that causes the appearance of pimples on the skin, it helps purify blackheads and the appearance of pimples, achieving a skin with less impurities and controls the sebaceous secretion.

MAIN INGREDIENTS: Polygonium Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Plantago Lanceolata Leaf Extract, Mahonia Aquifolium Root Extract

Face Firming

Together with collagen, elastin is the most common protein in our skin, responsible for giving a smooth and elastic feel to skin.

COSMETIC PROPERTIES: It contains a high concentration of elastin obtained by biotechnology that gives our skin the elastic properties that allow it to be firm and smooth. This extra contribution of elastin to the skin reinforces the cutaneous matrix reducing laxity and promoting youthful healthy contours.

MAIN INGREDIENTS: Elastin.

Anti-couperose

Propolis is one of the natural ingredients used in traditional medicine for thousands of years, known for its healing, disinfectant and anti-inflammatory effects.

COSMETIC PROPERTIES: It contains provitamin A, vitamin B3, amino acids, minerals and bioflavonoids that act on a dermatological level, especially recommended for people with skin problems, it acts as an antiseptic and fungicide reducing redness and erythema.

MAIN INGREDIENTS: Propolis Cera.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

AMPLIFY

Total Skin Correcting Advanced Ampoules

B-Power

All cutaneous matrix proteins in a single cocktail. Collagen, elastin and hyaluronic acid, penetrate the skin to reduce the most visible expression wrinkles.

COSMETIC PROPERTIES: Actúan a nivel dérmico, consigue rellenar las arrugas desde el interior, minimiza las líneas de expresión y consigue una piel más joven al rellenar los surcos que aparecen en la epidermis con la edad.

MAIN INGREDIENTS: Collagen, Elastin, Palmitoyl Tripeptide-5, Hyaluronic Acid, Acetyl Hexapeptide-8.

Whitenow Oxy

A unique blend with a synergistic action on the skin. It provides amino acids, proteins and elemental sugars for cell growth and protects against external factors of contamination.

COSMETIC PROPERTIES: It achieves an oxygenated skin from the inside with an extra contribution of energy for the cells and also protects them from the sun's rays and environmental contamination, preventing the appearance of skin spots.

MAIN INGREDIENTS: Fructose, Urea, Trehalose, Allantoin, Sodium Hyaluronate, Glucose, Bellis Perennis (Daisy) Flower Extract, Glycoproteins.

Slim Power

A combination of high penetration caffeine with a tecnologically obtained peptide to create a synergic action on the dermal adipocytes.

COSMETIC PROPERTIES: It penetrates into the hypodermis, acting on the adipocytes, achieving the reduction of fat deposits and preventing the appearance of new ones. It acts as skin's antioxidant and reducer, achieving a firmer and more elastic appearance.

MAIN INGREDIENTS: Siloxanetriol Alginate, Caffeine, Pyroglu-tamylamidoethyl Indole.

Perfect Eye

Biomarin plankton extract that acts on one of the most sensitive areas of the skin, the eyelids.

COSMETIC PROPERTIES: It performs on the 3 main skin problems of the eye, it reduces eye bags, minimizes dark circles and reduces wrinkles. Tested especially to act at a periocular level.

MAIN INGREDIENTS: Acetyl Hexapeptide-8, Plankton Extract.

Hair Growth

Based on sprouts of organic pea, reduces hair loss by inducing dermal papilla cells to reactivate hair growth.

COSMETIC PROPERTIES: Stimulates hair growth at the root. Prolongs the life cycle of hair. Fully retores the vitality of the hair. Redensifies the hair in just 3 months.

MAIN INGREDIENTS: Pisum Sativum (Pea) Sprout Extract.

Glycanforce

A mixture of glycoproteins and vitamin C that act in the deepest layers of the skin to reduce the effects of the passage of time.

COSMETIC PROPERTIES: It smoothes expression lines and acts on wrinkles, making them less visible and achieving an anti-aging effect for those first symptoms of aging on the skin.

MAIN INGREDIENTS: Glycosaminoglycans, Ascorbyl Methylsilanol Pectinate, Hydrolized Soy Protein.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

AMPLIFY

Total Skin Correcting Advanced Ampoules

Glycanforce Fps

It rejuvenates your skin and protects it from the sun. Furthermore, this mixture of Vitamin C and Glycosaminoglycans also offers sun protection.

COSMETIC PROPERTIES: In addition anti-aging actions, this ampoule protects the skin from UV radiation, enhancing the barrier function of the skin and protecting it against the sun, the main cause of skin photoaging.

MAIN INGREDIENTS: Glycosaminoglycans, Ascorbyl Methylsilanol Pectinate, Hamamelis Virginiana (Witch Hazel) Extract, Hydrolized Soy Protein, Titanium Dioxide.

Lipoglycan

Vitamin C, soy extract and vegetal proteins, a very powerful blend of active ingredients widely used in cosmetics that, together, reinforce their action on the skin, **providing vitality, energy and regeneration, resulting in maximized luminosity.**

COSMETIC PROPERTIES: Vitamin C, along with the rest of the ingredients, revitalizes the skin, reducing skin irritations, soothing the skin, and obtaining all the anti-aging power of Vitamin C.

MAIN INGREDIENTS: Glycosaminoglycans, Ascorbyl Methylsilanol Pectinate, Hamamelis Virginiana (Witch Hazel) Extract, Hydrolized Soy Protein.

Anti-redness

Natural origin vegetal extracts, that form a mixture of vitamins and amino acids which act on the skin reducing cutaneous hypersensitivity.

COSMETIC PROPERTIES: Carefully chosen for its natural effects, its content in plant extracts help to reduce significantly the problems of sensitive skin such as redness. **It soothes the skin and helps reduce hypersensitivity and calms reactive skin types.**

MAIN INGREDIENTS: Phragmites Kharka Extract, Poria Cocos Extract.

O2-Stem

Essential amino acids, trace elements and proteins obtained from pea, that act at the cellular level activating cutaneous metabolism, **providing the skin with extra energy and vitality.**

COSMETIC PROPERTIES: It is perfect for dry skin, the natural origin formulation penetrates the skin, acting at the cellular level favoring the oxygenation of the skin, achieving a revitalized complexion.**I**

MAIN INGREDIENTS: Trehalose, Allantoin, Sodium Hyaluronate, Glucose, Glycoproteins, Glutamic Acid, Valine, Threonine, Hydrolized Pea, Ubiquinone.

Placentum Soy

It is a powerful cocktail of vitamins, proteins and phytostimulants of vegetable origin that contains all the regenerative power of soy.

COSMETIC PROPERTIES: It acts on all cells of the skin providing all the necessary ingredients to enhance cell rege-neration, it reduces wrinkles by providing energy to the cells to achieve an oxygenated epidermis and with extra vitality.

MAIN INGREDIENTS: Linoleic Acid, Linolenic Acid, Glycoproteins, Glycine Soja (Soybean) Phytoplacenta Extract.

NAD+

NAD+ (Nicotinamida Adenina Dinucleótido), Niacinamida y tecnología biomimética inspirada en exosomas, que ayudan a mantener la energía celular de la piel, favorecen su renovación y contribuyen a mejorar su aspecto global, aportando luminosidad, uniformidad y vitalidad.

PROPIEDADES COSMÉTICAS: Ideal para pieles apagadas, fatigadas o con signos de envejecimiento. Su fórmula ayuda a reforzar la barrera cutánea, mejorar la textura y el tono de la piel, favoreciendo una apariencia más revitalizada, equilibrada y luminosa.

INGREDIENTES PRINCIPALES: Nicotinamide Adenine Dinucleotide (NAD+), Niacinamide, Hyaluronic Acid, Tetrapeptide-61, Dipeptide-85, Centella Asiatica Extract, Lactococcus Ferment Extract, Lactobacillus/ Brassica Nigra Seed Ferment Extract.

NATURAL ORIGIN: Producto With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

COCKTAILS & PEELINGS

MESO-LIKE

Cócteles para profesionales

Cóctel Antiacné

Tratamiento que aborda la problemática del acné. El Zinc ejerce un control sobre la actividad sebácea, mientras que el Polylysine ofrece una potente acción antimicrobiana. La fórmula se complementa con un complejo botánico concentrado, donde el Extracto de Centella Asiática y el de Regaliz aportan propiedades antiinflamatorias y reparadoras, y el Extracto de Té Verde y Romero contribuyen con su **actividad antioxidante y astringente, calmando la piel y reduciendo el enrojecimiento.**

INGREDIENTES PRINCIPALES: Zinc, Polylysine, Extracto de Centella Asiática, Extracto de Escutelaria Asiática, Extracto de Té, Extracto de Regaliz, Extracto de Manzanilla, Extracto de Romero.

Cóctel Antimanchas

Tratamiento despigmentante que actúa en múltiples vías del proceso de melanogénesis.

La Niacinamida estabiliza la barrera cutánea e inhibe la transferencia de melanosomas a los queratinocitos. La Arbutina y un derivado estable de la Vitamina C (Ascorbyl Methylsilanol Pectinate) actúan como inhibidores de la tirosinasa, **aclarando las manchas existentes y previniendo la formación de nuevas.**

Los extractos de Regaliz y Escutelaria refuerzan la acción antiinflamatoria y antioxidante, **clave para prevenir la hiperpigmentación post-inflamatoria.**

INGREDIENTES PRINCIPALES: Niacinamida, Ascorbyl Methylsilanol Pectinate (Vitamina C), Arbutina, Extracto de Centella Asiática, Extracto de Escutelaria Asiática, Extracto de Té, Extracto de Regaliz, Extracto de Manzanilla, Extracto de Romero

Cóctel Antiedad

Tratamiento innovador que combina biotecnología y botánica para un **abordaje antienvejecimiento global.** Su fórmula incluye el neuropéptido Acetyl Hexapeptide-8, reconocido por **reducir la profundidad de las arrugas de expresión.** Los péptidos (Oligopeptide y Tetrapeptide-7) estimulan la síntesis de colágeno y otras proteínas en la dermis. Los extractos antioxidantes (Té Verde, Escutelaria, Romero) protegen frente al estrés oxidativo ambiental, mejorando la **firmeza y densidad cutánea.**

INGREDIENTES PRINCIPALES: Acetyl Hexapeptide-8, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Extracto de Centella Asiática, Extracto de Escutelaria Asiática, Extracto de Té, Extracto de Regaliz, Extracto de Manzanilla, Extracto de Romero.

Cóctel Piel Sensible

Tratamiento para fortalecer y calmar la piel reactiva. Su eficacia se basa en activos reparadores como el Extracto de Avena Sativa**, que calma el picor** y el eritema, y el Extracto de Caléndula, **conocido por sus propiedades antiinflamatorias y cicatrizantes.** Los Exosomas de Centella Asiática ofrecen una **acción celular avanzada para reforzar la función barrera.** Su acción esta potenciada por extractos botánicos antioxidantes que **protegen la piel de las agresiones externas, reduciendo su tendencia a la reactividad.**

INGREDIENTES PRINCIPALES: Exosomas de Centella Asiática, Extracto de Caléndula, Extracto de Avena Sativa, Extracto de Centella Asiática, Extracto de Escutelaria Asiática, Extracto de Té, Extracto de Regaliz, Extracto de Manzanilla, Extracto de Romero.

Cóctel Hidratante

Tratamiento hidratante que replica los Factores Naturales de Hidratación (NMF) de la piel.

Combina el poder calmante del Extracto de Aloe Vera con un complejo de humectantes naturales de alto peso molecular como la Urea, el Ácido Hialurónico y azúcares (Fructosa, Trehalosa, Maltosa) que **captan y retienen agua en la epidermis.**

La Alantoína repara y mantiene la hidratación prolongada, **restaurando el confort y la suavidad incluso en las pieles más deshidratadas.**

INGREDIENTES PRINCIPALES: Extracto de Aloe Vera, Humetactes naturales: Fructose, Urea, Maltose, Trehalose, Allantoin, Sodium Hyaluronate, Glucose, Extracto de Centella Asiática, Extracto de Escutelaria Asiática, Extracto de Té, Extracto de Regaliz, Extracto de Manzanilla, Extracto de Romero.

NATURAL ORIGIN: Producto With Natural ingredients. Vegan.

DERMPEELS

Peels for the Professional

Peeling Renovación Celular

Este tratamiento combina **dos alfahidroxiácidos con distintos pesos moleculares para una renovación celular en capas.** El Ácido Glicólico (10%), de bajo peso molecular, penetra profundamente para una exfolación eficaz, mientras que el Ácido Mandélico (5%) trabaja en la superficie con su acción suave y antibacterial.

La sinergia de ambos, con una concentración total del 15%, **promueve una renovación celular acelerada, mejorando la suavidad, afinando el poro y devolviendo la luminosidad a la piel.**

INGREDIENTES: Aqua, Glycolic Acid, Glycerin, Mandelic Acid, Polisorbate-20, Propylene Glycol, Linoleic Acid, Linolenic Acid, Phenoxyethanol, Ethylhexylglycerin.

PRINCIPIOS ACTIVOS

10% Ácido Glicólico + 5% Ácido Mandélico = 15% Total Ácidos

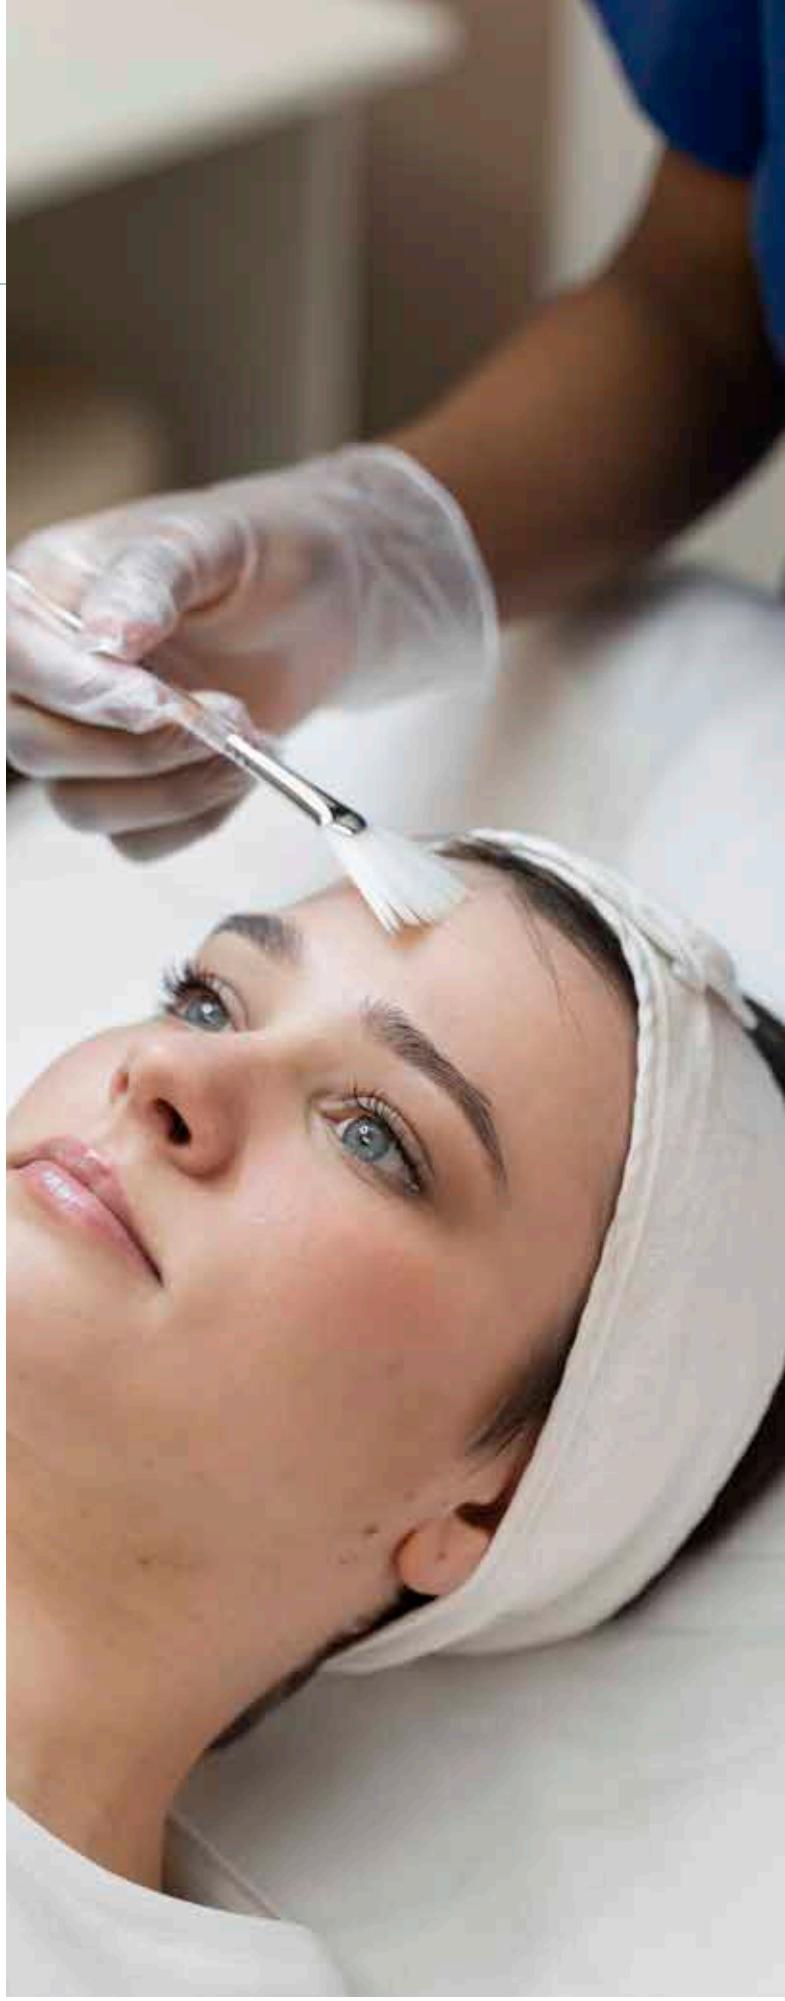
Peeling Antimanchas

Con una acción despigmentante del 25.7% en ácidos, este peeling actúa sobre la hiperpigmentación en múltiples frentes. El Ácido Tranexámico (5%) y la Arbutina (2%) inhiben de forma sinérgica la transferencia de melanina a los queratinocitos. Los alfahidroxiácidos, Ácido Málico (10%) y Glicólico (5%), facilitan la eliminación de las células pigmentadas, mientras que el Ácido Kójico (0.7%) bloquea el mecanismo de acción de la tirosinasa. El resultado es una exfoliación activa de las manchas y una uniformidad en el tono de la piel.

INGREDIENTES: Aqua, Alcohol Denat., Malic Acid, Glycerin, Glycolic Acid, Tranexamic Acid, Phytic Acid, Polisorbate-20, Arbutin, Propylene Glycol, Linoleic Acid, Linolenic Acid, Kojic Acid, Phenoxyethanol, Ethylhexylglycerin.

PRINCIPIOS ACTIVOS

10% Ácido Málico + 5% Ácido Tranexámico + 5% Ácido Glicólico + 5% Ácido Fítico + 0.7% Ácido Kójico + 2% Arbutina = 25.7% Total Ácidos



NATURAL ORIGIN: Producto With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

DERMPEELS

Peels for the Professional

Peeling Antiacné

Formulado con una concentración total del 17% de principios activos, este peeling combina mecanismos de acción complementarios para el **tratamiento de pieles acneicas**.

Su eficacia se basa en la acción queratolítica y seboreguladora del Ácido Salicílico (2%), junto a la actividad antibacteriana y antiinflamatoria del Ácido Azelaico (5%). El Ácido Láctico (10%) completa la fórmula proporcionando una exfoliación superficial que uniforma la textura y promueve la renovación celular, resultando en una **notable reducción de comedones, brotes activos y poros dilatados.**

INGREDIENTES: Alcohol Denat., Aqua, Lactic Acid, Glycerin, Azelaic Acid, Polisorbate-20, Salicylic Acid, Propylene Glycol, Linoleic Acid, Linolenic Acid, Phenoxyethanol, Ethylhexylglycerin.

PRINCIPIOS ACTIVOS

5% Ácido Azelaico + 10% Ácido Láctico + 2% Ácido Salicílico = 17% Total Ácidos

Peeling Antiarrugas

Este tratamiento de alta concentración (24% de ácidos) está diseñado para **abordar los signos del fotoenvejecimiento mediante una exfoliación profunda y una potente acción antioxidante.**

El Ácido Glicólico (10%) asegura una renovación epidérmica efectiva, mientras que el complejo de ácidos Fítico (10%) y Cítrico (3%) proporciona luminosidad. La fórmula se complementa con Ácido Ferúlico (1%) para estabilizar y proteger, y Ácido Hialurónico (1.5%) para garantizar una hidratación intensa, logrando una **mejora visible en el tono, la densidad cutánea y la elasticidad.**

INGREDIENTES: Aqua, Alcohol Denat., Glycolic Acid, Phytic Acid, Glycerin, Polisorbate-20, Citric Acid, Hyaluronic Acid, Ferulic Acid, Propylene Glycol, Linoleic Acid, Linolenic Acid, Phenoxyethanol, Ethylhexylglycerin.

PRINCIPIOS ACTIVOS

10% Ácido glicólico + 10% Ácido Fítico + 3% Ácido Cítrico + 1% Ácido Ferúlico = 24% Total Ácidos + 1.5% Hialurónico

Peeling Hidratante

Con un 15% de Ácido Láctico, **este peeling ofrece una exfoliación suave ideal para mantener la calidad de la barrera cutánea.** Su mecanismo de acción promueve la descamación de corneocitos sin comprometer la función barrera, estimulando los factores de hidratación natural.

La incorporación de Ácido Hialurónico (1.5%) complementa la acción, atrayendo y reteniendo moléculas de agua en la epidermis, lo que se traduce en **una piel inmediatamente más suave, flexible y con un aspecto hidratado.**

INGREDIENTES: Aqua, Lactic Acid, Glycerin, Polisorbate - 20, Hyaluronic Acid, Linoleic Acid, Linolenic Acid, Propylene Glycol, Phenoxyethanol, Ethylhexylglycerin.

PRINCIPIOS ACTIVOS

15% Ácido Láctico + 1.5% Ácido Hialurónico

Peeling Piel sensible y con marcas

Desarrollado para pieles reactivas o con tendencia a rojeces, este peeling equilibrado con 15% de ácidos, utiliza moléculas de gran tolerancia. El Ácido Mandélico (5%), de mayor peso molecular, proporciona una exfoliación superficial uniforme y con acción antibacteriana. El Ácido Azelaico (5%) calma el eritema y normaliza la queratinización, y el Ácido Cítrico (5%) aporta su capacidad antioxidante.

Esta combinación ofrece **una renovación eficaz minimizando el riesgo de irritación, mejorando visiblemente la textura y el tono de la piel.**

INGREDIENTES: Aqua, Alcohol Denat., Glycerin, Azelaic Acid, Mandelic Acid, Citric Acid, Polisorbate-20, Propylene Glycol, Linoleic Acid, Linolenic Acid, Phenoxyethanol, Ethylhexylglycerin.

PRINCIPIOS ACTIVOS

5% Ácido azelaico + 5% Ácido Cítrico + 5% Ácido Mandelico = 15% Total Ácidos

NATURAL ORIGIN: Producto With Natural ingredients. Vegan.

BODY

SCULPTURE

Body Treatment

ALGAE-THIN Muscle Activating Slimming Cream

La flacidez en la piel afecta frecuentemente a brazos, abdomen, piernas y cuello y es una de las pesadillas más frecuentes en personas de todo el mundo.

Se produce a causa de la pérdida de tono muscular por la falta de movimiento o ejercicio en un músculo, lo que provoca un déficit en la tensión. **Recuperar la elasticidad en la piel es un proceso reversible**, a través del ejercicio, pero difícil para muchas personas porque es un proceso arduo que requiere constancia.

ALGAE-THIN es un complejo cosmético que logra, sin necesidad de ir al gimnasio, el mismo efecto que la actividad física produce en el cuerpo. Esto se consigue gracias a metabolitos que contiene material molecular que estimula las células del tejido muscular, mejoran el tono muscular al aumentar la liberación de ácidos grasos en la piel y potencia las fibras musculares del cuerpo activando los músculos de la piel.

OBJECTIVE

After 28 days of use, it specifically reduces the contour of the treated area without the need for exercise losing up to 3 kg without diet or exercise. It can be combined with moderate physical activity and healthy diet for unbeatable results.

In addition to its reducing properties, **ALGAE-THIN has an innovative texture that allows it to adapt to environmental conditions**, provides softness and smoothness to the skin, which makes visible the surface of the epidermis.

NATURAL ORIGIN: With Natural ingredients.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

SCULPTURE

Body Treatment

Hyper-Moisturizing Body Cream

High penetration ability, providing the hydration needed by the cells to keep the skin turgid.
Restores the natural skin barrier, leaving a smooth, repaired and velvet skin. Helps to maintain the ability of our body to ensure its correct functions
Helps to maintain the ability of our body to ensure its correct functions. Immediate moisture.

MAIN INGREDIENTS: Rosa Canina Fruit Oil, Butyros-permum Parkii (Shea) Butter, Jojoba Esters, Polyglyceryl-3 Beeswax, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Bai-calensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Of cinalis (Rosemary) Leaf Extract.

Bust Firming and Voluminizer

Activation of lipid accumulation: lipogenesis in human adipocytes.

Volume-effect: increased breast volume accentuates femininity and lends fullness to the cleavage.
Firming-effect: Improved skin elasticity in the cleavage area, firms the breast and smoothes its surface.

MAIN INGREDIENTS: Methylsilanol Mannuronate, Glycerin, Garcinia Mangostana Peel Extract, Chlorella Vulgaris/Lupinus Albus Protein Ferment, Pyrus Cydonia Seed Extract.

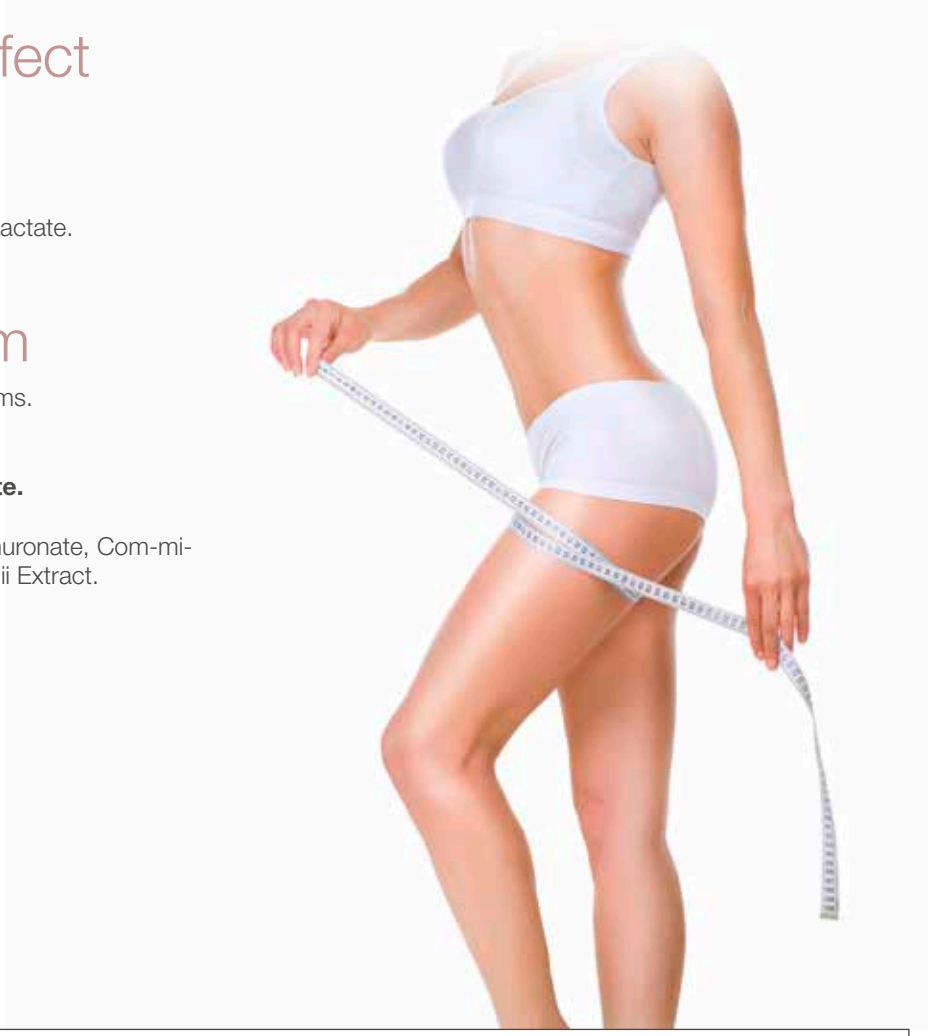
Immediate Cool Effect

It helps a faster recovery.
Reduces discomfort.
Prevents injuries.

MAIN INGREDIENTS: Menthol, Menthyl Lactate.

Body Shape Cream

Reduces volume of abdomen thighs and arms.
Produces firming effect on the skin.
Reducing effect.
Removes orange peel caused by cellulite.
Causes weight loss.
MAIN INGREDIENTS: Methylsilanol Mannuronate, Com-miphora Mukul Resin Extract, Coleus Forskohlii Extract.



NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

SILVER DEO

Long-lasting Natural Deodorant

SILVER DEO belongs to a new generation of deodorants. Unlike conventional deodorants**, it does not contain aluminium, alcohol, microplastics, or nanoparticles. It does not clog pores, it does not stain the skin.** With the new zero-waste trend, with more and more followers, the turn of natural deodorants has come.

A new way of thinking about deodorants. It is time to take care of all your skin in an effective, safe and 100% vegan way. With ingredients that act directly on the dermal microbiota, it manages to eliminate all the toxins that the skin accumulates due to the use of chemical products.

Purifies and neutralizes odour-causing bacteria, thanks to the following ingredients:

ZINC OXIDE

Prevents the development of odour-causing bacteria and repairs the skin due to its antimicrobial effect.

COCONUT OIL

Has antibacterial and antifungal properties that fight against bacteria and fungi that feed on our sweat and cause bad odour.

SOYBEAN OIL

Regenerates the skin and deeply hydrates it, ensuring intense care to avoid irritation on all skin types, without leaving a greasy sensation.

With a single application of SILVER DEO, it eliminates bacteria and fungi from the armpit. Helping in the same way to eliminate the bad smell coming from the toxins that the microbiota releases with sweating.

It acts on a wide spectrum of microorganisms, where it inactivates the enzymes that bacteria and fungi use for their oxygen metabolism; that is to say, it manages to render the “chemical lung” of these germs useless in minutes, causing them to “suffocate”. For this reason, unlike what happens with synthetic and traditional deodorants, bacteria cannot develop resistance mechanisms or any type of mutation that allows them to escape the bactericidal action of **SILVER DEO**

INGREDIENTES NATURALES: We have a position of 100% transparency with the ingredients we use, since we are firmly committed to the environment and seek to develop products that are totally natural, vegan and ecological.

71% **skin-friendly ingredients of natural origin: Shea Butter, Zinc Oxide, Silver.**

15% **BIO Ingredients: Coconut Oil, Soybean Oil.**

MODE OF USE

To get the most out of your cream deodorant, it is essential to apply it to a completely clean and dry armpit.

Spread the product with the fingertips and with a gentle massage until completely absorbed. Repeat when necessary.

With a single application you will obtain an effectiveness for two to seven days, depending on each person.

It is formulated so that playing sports, leading an active lifestyle or bathing will not reduce effectiveness.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

HAND & FEET

Intensive Hand & Feet Care

Daily Hand Care

It prevents loss of moisture through a luxurious emollient texture and targets dry hands and feet that have been exposed to the elements, especially if due to excessive hand washing or wearing non-protective footwear.

MAIN INGREDIENTS: Fructose, Urea, Sodium Hyaluronate, Trehalose, Allantoin, Glucose.

Extreme Care Of Damaged Hands With Sensitif

SENSITIF complex offers maximum regenerative healing and protective actions as skin loving actives increase hydration of the epidermis, decrease continuous itching and fortifies epidermal lipids of the stratum corneum. Furthermore, it protects the skin from extreme climate related skin damage, and allows the cells to heal from UVA/UVB exposure, **thus preventing collagen and elastin loss, consequently maintaining suppleness and elasticity.**

MAIN INGREDIENTS: Rosa Canina Fruit Oil, Butyrospermum Parkii (Shea) Butter, Jojoba Esters, Polyglyceryl-3 Beeswax, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosma-rinus Officinalis (Rosemary) Leaf Extract.

HAIR

LOSS & GROWTH

Hair Loss Serum

With Pea Proteins, Microalgae and Lemon Water
After 150 days of product application:

90% **of the volunteers experienced increased hair density**

Over **88%** **of the volunteers had a reduction in hair loss**

100% **of the volunteers were satisfied with the product.**
of the volunteers would continue using the product.
of the volunteers would purchase the product.

Alopecia is the abnormal loss of hair. As a general rule, all people lose 70 to 100 hairs per day. When a person loses more than 100 hairs a day, it is considered to be suffering from baldness.

The most common thing is that this hair loss occurs on the head, but it can also affect eyebrows, eyelashes, beard, armpits, and even the genital area.

Losing more than 100 hairs a day is not always due to the most common fear: permanent alopecia. There are a series of factors that can generate excessive temporary hair loss, such as:

· Hair loss due to stress

· Hormonal problems

· Alopecia due to pregnancy or childbirth

· Medication

· Alopecia due to illness

Hair is a symbol of status and beauty in our society, and when hair starts to fall out, **a difficult and complicated situation is generated that is difficult to treat,** not only for men but also for women.

Feelings of shame and even depression can be the consequences of hair loss. To solve it, not everyone wants or can afford to go through surgery and undergo a hair transplant. Therefore, a large number of people affected by this situation choose to look for a solution that addresses the problem at its roots and acts on the causes of hair loss to reverse the process.

Entre los muchos productos del mercado que dicen tratar la pérdida del cabello, solo aquellos que contienen ingredientes naturales tratan la pérdida de cabello sin efectos secundarios.

LABESP, faithful to its policy of 100% transparency and natural ingredient products, presents **LOSS AND GROWTH**, an anti-hair loss treatment that helps delay and prevent the development of hair loss, which can be used by both men and women and is applied directly to the scalp.

TECHNOLOGY

LOSS AND GROWTH is a hair serum that strengthens hair and activates the growth of hair follicles without the need for ingredients with hormonal activity against hair loss. I**t contains 16 highly concentrated and pure active ingredients.** The combination of these 16 ingredients produces a synergistic effect that directly acts on the hair follicles of the scalp, reducing hair loss, increasing the volume and density of existing hair, and promoting the growth of hair fibres that were in the shedding phase.

Growth is stimulated in the long term, resulting in radiant-looking hair and healthy vitality from the root of the scalp to the tips. It reinforces the structure, resistance, fullness, and strength of thin and weak hair in both women and men.

It can be used to activate hair growth or as a preventative measure to promote long-term hair follicle health.

PERFORMANCE

Hair growth is a natural process regulated by hormones in our body. It is a cyclic process that lasts for months, and therefore when hair loss begins to occur, patience is necessary to reverse this phenomenon.

To achieve lasting results, it is necessary to be consistent with the treatment, as changes start to become noticeable after 45 days.

After this established time, small tufts of hair begin to grow around the hairline, which may appear as baby hairs or broken strands. This is new hair growth, which will become thicker and denser as it grows and gains strength over time.

LOSS AND GROWTH is not only intended for those who want to recover their hair and reverse the loss process, but also for those who want to prevent thin and sparse hair, and for those who simply want to maintain the quality of their hair and use it as a preventive treatment.

WAY OF USE

Gently massage to evenly spread the product with your fingers, stimulating microcirculation and promoting complete absorption.

No rinsing is necessary.
Leave on for at least 6 hours.

Recommendation: can be used both day and night. Apply daily before going to bed. In the morning, wash hair normally. For best results, daily and regular use is necessary. For visible results, it is recommended to use for at least 45 days.

NATURAL ORIGIN: Natural with BIO ingredients.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

LOSS & GROWTH

Hair Loss Serum

Lemon Bio Water: rich in vitamins and minerals that help revitalize and detoxify hair fibres, thus protecting the hair. In addition, it has a high concentration of potassium, an essential element for life and beneficial for the treatment of hair follicles without growth: it provides an extra energy boost and vitality, leaving the hair fresh and strengthened.

Pea Proteins: high concentration of vegetable protein peptides that provide powerful results in hair fibres. Due to the high concentration of antioxidants such as carotenoids -lutein in particular- and flavonoids, in addition to a high content of vitamin C, vitamin B1, vitamin B2, peas act as antioxidants preventing cellular aging and activating cellular growth from the root of the hair follicle.

Turmeric Conditioner: used for the prevention and reduction of hair loss, achieving an increase in hair density. It stimulates follicular activity, optimizes the hair cycle, and improves the density, hardness, and health of growing hair.

Panthenol: penetrates the cuticle and hair shaft, where it helps retain moisture and provides volume. It is also a useful moisturizer and emollient. It spreads evenly over the surface of hair strands, forming a thin film on the surface of the cuticle. This film provides greater cohesion to the reflection of light on the surface of the hair, which is manifested in exceptional shine and radiance, providing a healthy hair appearance.

Arginine: is an essential amino acid that is not produced by our body and that is part of the hair proteins, that is, of keratin. This amino acid is a precursor to a substance called nitric oxide, which is essential for natural hair growth.

Soy Extract: nnourishes and moisturizes the hair, restores its flexibility and gives shine, while rehydrating the hair, preventing its loss of colour and protecting the hair tone.

Wheat Extract: is a source of essential fatty acids, antioxidants, and high-quality proteins that help prevent and treat hair loss. It promotes healthy hair growth, combats dryness, acts as a natural conditioner, protects the scalp, and helps seal split ends.

Ginkgo Extract: activates microcirculation in the scalp. By stimulating blood flow in the scalp, hair follicles receive a greater supply of oxygen and blood. Without this supply, the hair becomes weaker, devitalized and eventually falls out

Peptides: are vital for the scalp to grow strong. But in addition to stronger hair, hair peptides are one of the best remedies against hair loss, promoting growth and providing thickness and vitality.

Hops Extract: has astringent and antiseborrheic properties that help fight certain irregularities in the scalp, such as scaling, excess sebum, dandruff, and other circumstances that contribute to altering hair health. The use of hops on hair helps to calm irritated or saturated scalp, and allows hair to grow stronger and shinier, preventing hair loss and keeping it free of impurities.

Alfalfa Extract: is a source of vitamins A, B, C, E and K, as well as minerals such as iron, magnesium, phosphorus, manganese, cobalt, silica, copper, molybdenum, and zinc. All of them are essential for healthy and strong hair. The bioactive substances present in alfalfa (such as chlorophyll) confer a high antioxidant level that helps us to fight the environmental factors that can cause our hair to fall prematurely.

Sweet Clover Extract: is rich in isoflavones, natural estrogens that strengthen hair, prevent dandruff and scalp irritations.

Amino Acids: are the fundamental building blocks of hair fibre structure. They provide nutrition, hydration, enhance hair growth, and generate a repairing effect on brittle hair.

Microalgae: extract from the Isochrysis Galbana algae, whose clinical studies demonstrate that it contains molecules that participate in the hair growth process, enhancing the appearance of new hair fibres and at the same time strengthening and fortifying existing hair.

Phytic Acid: the absence of vitamins causes hair to grow fragile and brittle. This molecule stimulates hair follicles, promotes cell regeneration, and accelerates the action of other nutrients that participate in hair health.

Lactic Acid: known for favouring skin and hair hydration, it penetrates inside hair fibres and reinforces the molecular structure, giving vitality and strength to hair from the inside, necessary for robust and dense hair growth.

CLINICAL STUDIES

A study has been conducted with 20 male and female participants aged between 18 and 65 years old, with hair loss present on the scalp. The study was conducted by evaluating hair density with the TrichoScan® equipment using the standards set by the SCCS in the Guide for Human Research. **The TrichoScan® equipment is capable of measuring the amount of hair fibres present in an area, measuring every centimeter of the surface and analyzing the presence of hair fibres**. The presence of more fibres as the treatment is used is a sign of an increase in hair growth.

EVALUATION OF HAIR DENSITY BY TRICHOSCAN® EQUIPMENT
After 45 days of applications, 50% of the volunteers involved in the study have a higher capillary density (up to 17.6% increase).
After 150 days of applications, 90% of the volunteers involved in the study have a higher capillary density (up to 29.5% increase)

COMBING AND WASH TEST
After 45 days of treatment, higher than 88.8% of volunteers have a reduction in hair loss. (up to 83.3% reduction).
After 150 days of treatment, higher than 88.8% of volunteers have a reduction in hair loss. (up to 81.7%).

COSMETIC TRICHOGRAM
Increase of Anagen Phase (FA) and Reduction of Telogen Phase (FT)
• The tested product causes a positive effect in 85% of volunteers after 150 days of treatment, increasing the anagen phases (up to 38.9% increase) and decreasing the telogen phases (up to 54.2% decrease).

99% | **99% skin-friendly ingredients of natural origin:**

Pea Proteins, Isochrysis Galbana Microalgae Extract, Turmeric Conditioner, Lemon Water, Panthenol, Arginine, Soy Extract, Wheat Extract, Ginkgo Extract, Peptides, Hops Extract, Alfalfa Extract, Sweet Clover Extract, Amino Acids.

1% | **additional ingredients to ensure formula stability and safety:**

Sodium Benzoate, Potassium Sorbate.

QUESTIONS AND ANSWERS

Can hair grow back with LOSS AND GROWTH?
If a hair follicle has been closed for years and is scarred, no new hair can grow. However, if the follicle is still intact, the growth of new hair can be stimulated with LOSS AND GROWTH. It also helps improve the health of weakened existing hair and strengthen its quality.

Can LOSS AND GROWTH help both women and men?
Yes, it works on both women and men with hair loss.

Does LOSS AND GROWTH have any side effects?
LOSS AND GROWTH is a natural product and has no side effects. It contains no steroids, synthetic prostaglandins, Finasteride, Bimatoprost, Minoxidil, or Isopropyl Cloprostenol.

Can LOSS AND GROWTH cause a rebound effect?
No, it is a product that improves the causes of hair loss due to hormonal, nutritional, and inflammatory factors without the use of hormones or rebound effects. It is formulated with natural ingredients and without drugs like Minoxidil, so stopping its use will not cause more hair loss.

Can it be combined with other treatments?
There is no problem in combining it with products like Minoxidil, as LOSS AND GROWTH is of natural origin and does not compromise the hormonal regulation of the body, thus avoiding the rebound effect that can occur with other pharmacological products.

HAIR CARE SERUMS

THERAPY RESIST
Multi-Action Conditioner

Brimming with sensual regenerating oils, our hair serum will deeply **nourishes, detangles and infuse hair strands with conditioning luxury**. Sulfate-free and paraben-free, the serum will glide effortlessly onto each strand of hair, penetrating the hair cuticle, conditioning it, adding bounce, reducing static and frizz without leaving a greasy residue.

Regularly using our hair-therapy oil will **prevent split ends, breakage and dullness**, adding to the allure of your overall beauty as your hair are restored and revived; **getting beautiful and healthy hair**. Gorgeous healthy flowing hair is now yours to have and cherish. It is recommended for use on slightly damp hair, but it can be used directly on dry hair as well. Incredibly lightweight, with a romantically delicate scent, our hairtherapy oil will transform your mane without weighing it down.

MAIN INGREDIENTS: Therapy Resist Complex.

NATURAL ORIGIN 100% vegan product, 95% skin-friendly ingredients of natural origin.

ARGAN
Hair Serum

Incredibly light and silky, this ethereal hair serum is packed with precious extracts from the argan seed, Spanish olives, fermented Japanese green tea, and fermented licorice.

Fermented ingredients create a whole new level of therapeutic efficacy, creating extremely effective and elegant formulations that deliver unsurpassed results.

Detangles and nourishes dry and brittle hair by providing the hair cuticle and scalp skin with essential nutrients, antioxidants, and hair follicle strengtheners that revitalize and transform hair quality, adding volume, vitality and strength to unruly hair. Best used on slightly damp hair, but can also be used on dry hair. Again, this is a hybrid product that can be used for hair growth and sexy shine, and also to control split ends and tangled hair.

MAIN INGREDIENTS: Olive oil ferment, argan oil ferment.

NATURAL ORIGIN 100% vegan product, 65.5% skin-friendly ingredients of natural origin.

BIPHASIC DROPS
Hair Loss Revitalizing Serum

Golden luscious drops will nourish and protect your hair from premature greying and delay hair loss by allowing the scalp to attain optimal health through our intentional inclusion of rare hair specific botanical extracts and next-generation peptides.

A scientifically proven synergistic blend with precious revitalizing fruit oils, phyto-molecules and clinically effective peptides will penetrate the hair follicles of scalp skin, acting on key hair-growth pathways **to deeply nourish and hydrate fragile fibers whilst reducing flakiness and itching.**

When used regularly, these luscious drops will infuse your hair with vitality and reinvigorate the scalp, allowing for a denser and thicker growth of hair in the most targeted yet holistic manner. Magical hints of fresh lavender and energetic lemon will uplift senses as this botanically-powered hair serum will transform brittle, greying, falling and fragile hair into luscious thick and seductive hair.

MAIN INGREDIENTS: Olive oil ferment, argan oil ferment, amla fruit extract, red clover.

NATURAL ORIGIN 100% vegan product, 96% skin-friendly ingredients of natural origin.

SILK
Hair Silk Smoothing Serum

Taking hair science to the next level, our Silk Hair Serum is infused with fermented precious ingredients like Argan and Olive oil. Fermented ingredients create a whole new level of therapeutic efficacy, creating extremely effective and elegant formulations that will deliver unsurpassed results.

Next level formulation calls for innovation and research, this is why our hair serum is unparalleled in quality and efficacy that will not only revitalize dry and dull hair but also prevent enviro-greying. Allow yourself to fall in love with our precious creation that will leave your senses in a state of enthrallment and your hair in silky head-turning splendor.

MAIN INGREDIENTS: Olive oil ferment, argan oil ferment.

NATURAL ORIGIN 100% Vegan.

SPLENDID

Dry Powder Shampoo

Modern times, fast paced lifestyles and busy schedules often result in a time crunch. Our all-natural dry-hair shampoo and styling powder will eliminate the need for re-styling and shampooing for as much as three days before the next wash; a perfect companion when you are pressed for time. An effective and exotic blend of gentle soothing Oatmeal flour, Aztec clay, Oriental rice flour kissed by hints of French Lavender will **soothe the scalp, lift off excess oil gently without creating pH shifts and add volume to hair thus aiding in effortless shampoo-free styling.**

This splendid blend is perfect for those on the go and can definitely become your most favorite travel companion.

MAIN INGREDIENTS: Rice starch, oats.

NATURAL ORIGIN 100% vegan product, 100% skin-friendly ingredients of natural origin.

BALANCE

Balancing Shampoo with Nettle Extract

With Urtica dioica, exhibiting natural sebum balancing, astringent and decongestant actions, hair shines brightly and scalp functions are naturally restored as precious nutrients sink deep into the skin, **restoring balance to the scalp and minimizing the production of sebum, preventing excessive oiliness and reducing dermal flaking, leaving the hair fresh and clean without removing the hair's natural lipids.**

MAIN INGREDIENTS: Nettle.

NATURAL ORIGIN 100% vegan product, 94.8% skin-friendly ingredients of natural origin.l.

PREVENT

Hair Loss Prevention Shampoo Fortified with Quinine

Quinine fortified hair loss prevention shampoo. This silky, smooth and luscious formula cleanses treats and revitalizes aging hair follicles, delivering vital nutrients to the scalp and preventing premature hair loss. Quinine restores the health, vigor and vitality of the hair, thus preventing split ends and hair loss, leaving hair with voluminous hair. This shampoo also **prevents premature graying and strengthens chemically treated hair**.

MAIN INGREDIENTS: Quino bark.

NATURAL ORIGIN 100% vegan product, 100% skin-friendly ingredients of natural origin.

ANTI-STRESS

Shampoo for Stressed Hair with Calendula

This scientifically based formulation calms and relieves stress on hair follicles that have been exposed to environmental and infectious processes. Calendula has multiple skin soothing actions that act on the skin of the scalp, resulting in stronger, shinier and healthier hair that can withstand daily chemical and environmental aggression. **The hair is gently restored and the functions of the scalp are normalized.**

MAIN INGREDIENTS: Calendula.

NATURAL ORIGIN 100% vegan product, 94.8% skin-friendly ingredients of natural origin.

COLOUR
Colour Preserving Shampoo with Chamomile

This light and velvety shampoo with golden highlights gently coats the hair, forming an imperceptible film that **preserves the luminosity of the blonde hair** so that it shows all its splendor. Chamomile **calms the scalp, relieves hair stress, and adds a natural golden shine to the hair fibers**, thus maintaining the luster of lighter colored hair.

MAIN INGREDIENTS: Chamomile.

NATURAL ORIGIN 100% vegan product, 94.8% skin-friendly ingredients of natural origin.

SATIVA
Oatmeal Shampoo for Normal Hair

This incredibly lightweight shampoo is loaded with wonderful purified oats that provide vital nutrients to your hair on a daily basis. Hair retains vitality, shine and tensile strength as the scalp is nourished with beneficial hair-friendly botanical extracts. **It is a mild daily shampoo that is safe for the whole family, even babies.**

MAIN INGREDIENTS: Oats.

NATURAL ORIGIN 100% vegan product, 94.8% skin-friendly ingredients of natural origin.

HAIR CARE SHAMPOO

HONEY
Fortified Shampoo for Dry and Damaged Hair with Honey

Ancient hair remedies have included the use of honey to maintain the vitality of the hair.

Our shampoo is state-of-the-art hair science, where we use extracted and purified honey that **penetrates the cuticle and sinks deep into the cortex**, strengthening the hair from within. Flaccid and lifeless hair gets a second **chance resulting in gorgeous hair** that will be the subject of all eyes.

MAIN INGREDIENTS: Honey.

NATURAL ORIGIN Product with 94.8% skin-friendly ingredients of natural origin.

WHITE
Anti-itch Shampoo for Gray Hair with Rosemary

Wavy, gray, and faded hair is given new life as ingredients act directly on the hair, such as plant flavonoids extracted from rosemary, rescue graying hair from dehydration and transform it into flowing, shiny locks. **Dandruff and the sensation of itch decrease as well as unhealthy dryness as the hair is restored.**

MAIN INGREDIENTS: Rosemary.

NATURAL ORIGIN 100% vegan product, 94.8% skin-friendly ingredients of natural origin.

KERATIN Shiny and Glamorous Hair with Vegetable Keratin for Straight Hair

Our hair mimetic ingredients, such as vegetable hydrolyzed keratin amino acids, **coat hair with a thin layer of hair-identical molecules that will add shine, hydration, and strengthen hair without weakening.**

Straight hair will be transformed as amino acids, minerals and vitamins penetrate deep into the hair matrix.

MAIN INGREDIENTS: Keratin.

NATURAL ORIGIN 100% vegan product, 94.8% skin-friendly ingredients of natural origin.

PURIFY
Cleanses, Purifies and Treats Shampoo with Fruit Vinegar

Apple vinegar gently cleanses, purifies, detoxifies and balances the hair's pH, which is a little more acid. **The slight acidity promotes a healthy capillary flora and maintains the health of the hair follicles while shampoo relieves itching and dandruff.**

Excess cuticle scales are gently exfoliated as new, healthy hair emerges, **resulting in a clean and shiny hair.** This versatile shampoo can also be used as prevention therapy to control the appearance of lice in the hair, always together with a medical treatment.

MAIN INGREDIENTS: Apple vinegar
NATURAL ORIGIN 100% vegan product, 94.8% skin-friendly ingredients of natural origin.

GROW
Stimulating Hair Growth Shampoo with Nasturtium, Queen's Taco, or Blood Flower.

Tropaeolum Majus, Nasturtium, Queen's Taco, or Blood Flower Extract as it is commonly known, promotes hair growth by stimulating hair follicles by providing optimal doses of B-complex vitamins, iron, and other essential minerals that will aid vitality of the hair and will stimulate the growth of new hair.

MAIN INGREDIENTS: Nasturtium.

NATURAL ORIGIN 100% vegan product, 94.8% skin-friendly ingredients of natural origin.

REMEDY
Damaged Hair Remedy Shampoo with Aloe vera

Dry, brittle and tanned hair due to environmental conditions will be **deeply nourished and hydrated due to the hydrating, refreshing, regenerative and hydrating capabilities of Aloe Vera.** Natural ingredients create a high-level botanical hair restoration, as these scientifically proven **botanical ingredients work synergistically to revitalize and restructure dry, damaged and brittle hair**, turning it into shiny, healthy and resistant fibers.

MAIN INGREDIENTS: Aloe vera.

NATURAL ORIGIN 100% vegan product, 94.8% skin-friendly ingredients of natural origin.

YOUNG Complete Hair Rejuvenating Shampoo with Onion

It acts on dry and undernourished hair fibers and achieves a revitalizing effect. **The onion bulb extract is packed with more than 30 nutrients** that have shown stimulating and repairing actions on hair.

In addition, dandruff and itchiness will be kept away as the hair will begin to show shine, volume and greater resistance to traction, in addition to fighting the havoc that chemical treatments leave on the hair. **This is a complete hair and scalp restoration shampoo that activates cell proliferation in the hair every day.**

MAIN INGREDIENTS: Onion.

NATURAL ORIGIN 100% vegan product, 94.8% skin-friendly ingredients of natural origin.

HAIR CARE VARIOUS

FOOD MASK
Honey, Mango & Chocolate Regenerative Hair Mask

Hair can experience weathering and chemical wear and tear just like any other part of the body. Hair fiber is exceptionally resilient and can withstand daily aggressions, but over time, the protective outer cuticle starts to dry out, resulting in brittle, fragile and dull hair. Harsh shampoo's, chemical treatments, pollution and UVR all add to cuticular stress and the result is damaged unmanageable hair.

Our delicious hair mask delivers multi-targeted benefits due to the presence of precious vegetable oils, vegetable butters and honey. This multi-tasking mask will deeply condition, **nourish, hydrate, enliven and revitalize even the driest and dullest of hair as cuticle-loving compounds gently coat each hair fiber with nourishing molecules that will restructure and realign the cuticular framework so that the cuticle is interlocked and waterproofed thus protecting the inner layers of the hair fiber from further external damage.** A healthy cuticular layer reflects light at optimal angles allowing hair to exude brilliancy and high gloss.

Rich in phyto-nutrients, the hair mask will additionally address falling and fragile hair, as key plant compounds revitalize scalp health resulting in thick and healthy growth.

Additional benefits include hair-strengthening and stronger hairanchoring, deep hydration and multi-powered nutrition with remarkable anti-breakage actions.

MAIN INGREDIENTS: Honey, mango butter, avocado oil, cocoa butter, precious oil blend, coconut oil.

NATURAL ORIGIN Product with 96% skin-friendly ingredients of natural origin.

ANTI-FRIZZ Anti-frizz Milk

We proudly unveil one of the world's only bio-powered frizz control product created for eco-conscious and health-conscious individuals.

This incredibly **silky ultra-light non-greasy leave-on milk will tame the frizziest of hair, allowing for a salon-style finish whilst infusing immediate vigor and strength to fly-away, damaged and unruly hair strands, thus delivering unparalleled gloss.** Shea butter along with deeply conditioning and nutritive fruit oils from Mango, Almonds, Cocoa, Avocado and Olives, will coat each hair fiber with ultimate luxury, as plant-lipids aim to recondition and fortify the cuticle and feed scalp skin with hair-restoring molecules. **The result is sensuous and tamed hair with a professional salon-style overall finish.**

MAIN INGREDIENTS: Sea butter, mango butter, avocado oil, cocoa butter.

NATURAL ORIGIN 100% vegan product, 98.45% skin-friendly ingredients of natural origin.

BEARD BALM
Deep Cleansing Nourishing Beard Oil-Cleanser

A clean, thick and glossy beard is a glorious aspect of masculinity, and millions of men across the globe desire a healthy beard. Beard hair is part of facial hair, that tends to become coarse, often dry and unmanageable if left ungroomed. Beard hair is notorious for gathering dust, pollution, food particles and dirt.

From the combination of hair science and botanical technology comes a novel oil-based beard cleanser rich in almond oil, botanical extracts and soft mild surfactants to offer men a delightfully soothing cleansing of the beard area and the skin underneath.

Beard hair will attain high gloss as the cuticle is repaired and nourished, whilst the skin underneath is deeply cleansed and revitalized as precious plantnutrients rebalance and hydrate dry and unhealthy skin, resulting in oil-based cleansing, that is highly recommended by leading dermatologists worldwide.

The reward is a supple, soft, glossy and deeply cleansed beard area with a healthy mantle of skin underneath.

MAIN INGREDIENTS: Mango butter, avocado oil, cocoa butter, almond oil.

NATURAL ORIGIN 100% vegan product, 98.6% skin-friendly ingredients of natural origin.

SPORTS COSMETICS

SPORTS LINE

Cosmetics for athletes

Sweating is the body's natural mechanism to regulate body temperature. However, something natural and necessary for our body **can become a problem for many people both in personal and professional fields to even jeopardizing their day to day.** The sweat on the hands and feet has been the cause of defeats in sports competitions, work accidents, frustrated job interviews, car accidents and a host of other problems. **And, above all, a lot of insecurity and concern for those who suffer from it.**

Stop sweat hands and feet

Is a temporary solution to all these problems that will help you recover your confidence and focus on what really matters.

It causes a barrier to the sweat glands preventing sweat from appearing on the surface. It has a non-greasy formula, which is absorbed quickly without sticking, staining, drying or smelling. MISCELLANEOUS

MOSQUITO REPELLENT

Skin-Safe Insect Protection

Lemongrass, Geranium, Wild Mint, Tea Tree and Lemon Eucalyptus are some of the most effective plant-based repellents available on the market. With a pleasant scent and feel, it offers effcient protection against insects such as mosquitoes, biting flies and deer ticks, without the use of synthetic ingredients such as ACTIVE DEET.

BSR is a novel twist on your everyday insect repellent, where we use skin-healing botanicals that will **ward of insects but keep you and your family safe without introducing harmful chemicals into your system.**

Our plant extracts are safe for sensitive skin, as we use C02 extraction with steam distillation to retrieve precious botanicals, maintaining freshness and efficacy, whilst diminishing irritancy that essential oils usually carry.

WAY TO USE:

- Apply small quantity.
- Spray product on hands and apply all over exposed skin avoiding any contact with eyes or mouth.
- Do not spray in enclosed areas.
- Wash hands after application. Re-apply after 6 hours if necessary.
- Re-apply after 6 hours if necessary.
- Do not apply more than twice per day.
- Keep away from children.
- Do not ingest.
- Do not spray in face..
- Use with caution on sensitive skin.

INGREDIENTES PRINCIPALES:

Cocos Nucifera (Coconut) Oil, Caprylic/Capric Triglyceryde, Cymbopogon winterianus herb oil, Pelargonium graveolens oil, Mentha arvensis oil, Citrus limonum (Lemon) Peel Oil, Tocopheryl Acetate, Lavandula Officinalis Leaf Oil, Melaleuca Alernifolia (Tea Tree) Leaf Oil, Citronellol, Geraniol, Farnesol, Citral, Limonene, Coumarin, Linalool.

We are one of the first labs in Europe to create a botanical based insect repellent using advanced extraction techniques.

FOGSTOP

Anti-Fog Spray for Glasses

The new reality and its obligations have brought a new companion to people that wear glasses: FOG.

And with it, the discomfort of having to remove the glasses hundreds of times in a day and, what is much worse, the danger of being able to cause accidents by limiting visibility.

FOGSTOP is a revolutionary formula that puts an end to this problem from the first application, reactivating the anti-fog film of the glasses and offering clear vision.In addition, it can be used as a cleaning element for photo cameras, smartphone and tablet screens, diving masks, etc.

Immediate Anti-Fog Effect.
Clear vision (deep glass cleaning).
250 applications
Various uses (cameras, screens, diving, etc.)
Safe formula.

NATURAL ORIGIN: With Natural ingredients. Vegan.
Please find packaging options at the end of the catalogue. All product formulas can be adapted to the requirement of every customer

PERSONAL LUBRICANTS

Fanning The Passion

Lubricants that, thanks to their exclusive **formula and pH adapted to the skin**, mimic natural lubrication to achieve greater enjoyment during sexual acts. **Dermatologically tested.**

Pharmalub

Water-based lubricant, specially formulated to relieve discomfort due to vaginal dryness and facilitate sexual intercourse.

- Not sticky or greasy. Light and incredibly smooth.
- Suitable for vaginal, oral or anal sex.
- You can use this lubricant with all kinds of condoms.
- Fragrance and colour free.
- With a balanced pH that helps maintain the balance of the dermal flora.
- Activated with caffeine, created to give an immediate energy boost to your sexual life. Caffeine has a stimulating and exciting effect.
- Suitable for vegans.

MAIN INGREDIENTS: Aqua, Propylene Glycol, Glycerin, Caffeine.

Vegan formula, with **96% natural skin-friendly** ingredients: Glycerin, Caffeine.

1% additional ingredients to ensure the stability and safety of the formula: Sodium Benzoate, Potassium Sorbate.

Organic

Extremely light texture based on glycerin, provides long-lasting hydration and pleasant sensations. A skin-to-skin experience for greater enjoyment.

- With a balanced pH that helps maintain the balance of the dermal flora.
- Relieves discomfort during sex and makes it smoother thanks to its light textured formula.
- Fragrance and colour free.
- Suitable for vaginal, oral or anal sex.
- You can use this lubricant with all kinds of condoms.
- Suitable for vegans.

MAIN INGREDIENTS: Aqua, Glycerin, Propanediol.

Vegan formula, with **99% natural skin-friendly** ingredients: Glycerin.

1% additional ingredients to ensure the stability and safety of the formula: Sodium Benzoate, Potassium Sorbate.

Retardant

Silicone lubricant designed for the most intense sexual experiences. You will get very satisfactory results with only a small amount. It delays the climax of both partners in order to prolong intercourse and increase pleasure.

- It is a silky, non-staining, silicone-based personal lubricant.
- Can be used with adult sex toys.
- It is not compatible with the use of condoms.
- Suitable for vegans.
- Fragrance and colour free.
- Suitable for vaginal, oral or anal sex..

MAIN INGREDIENTS: contains 100% totally safe silicones

Intense Cannabis

Special composition with cannabis oil. Through a 100% safe therapy, it provides greater sensitivity for a sexual experience with intense sensations, increasing pleasure and well-being.

INGREDIENTES PRINCIPALES: Cannabis Sativa Seed Oil, Butyrospermum Parkii Oil.

Fórmula vegana, con un **99% de ingredientes naturales** respetuosos con la piel: Aceite de cannabis, Aceite de karité.

1% de ingredientes adicionales para garantizar la estabilidad y seguridad de la fórmula: Tocopheryl Acetate

NATURAL ORIGIN: With Natural ingredients. Vegan.
