MAGNET PORE LIFT DETOX MASK

Deep Cleansing with Pore Minimizing

Science is magic.

Magnetic skin therapy has been used for thousands of years as a novel way of healing and rejuvention.
Keeping these ancient techniques in mind, we have given our magnet mask a new age twist by infusing it with advanced peptides, hydrators and healers.

What if we are able to lift skin surface impurities, dead cells, make up residues, pollutants, deep seated grime with the help of magnetic therapy?
Our botanical infused activated charcoal mask charged with iron particles will offer a **deep cleansing solution that will leave skin supernaturally cleansed and refreshed unlike any topical cleanser in the market.**

The magnetic head of the lifting device will effortlessly lift up the metallic components in the mask and carry all adjacent impurities with it.
The result is real-time deep level cleansing, healing & hydration. Additional benefits are gentle coaxing of sluggish skin circulation as micro-currents are generated during removal resulting in revival of aging skin functions.
