Professional Treatment Cocktails

Anti-Acne **Cocktail**

A targeted treatment for acne-prone skin. Zinc helps regulate sebum production, while Polylysine provides antimicrobial action. A concentrated botanical complex complements the formula: Centella Asiatica and Liquorice Extracts offer soothing and skin-repairing properties, while Green Tea and Rosemary **Extracts provide antioxidant and astringent benefits, helping calm the skin and reduce redness.**

MAIN INGREDIENTS: Centella Asiatica Exosomes, Calendula Extract, Avena Sativa (Oat) Extract, Centella Asiatica Extract, Scutellaria Baicalensis Extract, Tea Extract, Liquorice Extract, Chamomile Extract, Rosemary Extract.

Anti-Spot **Cocktail**

A brightening treatment that targets multiple pathways involved in melanogenesis. Niacinamide helps strengthen the skin barrier and inhibit melanosome transfer to keratinocytes. Arbutin and a stable Vitamin C derivative (Ascorbyl Methylsilanol Pectinate) help inhibit tyrosinase, **reducing the appearance of existing dark spots and helping prevent new ones.**

Liquorice and Scutellaria Extracts enhance the anti-inflammatory and antioxidant action, helping prevent post-inflammatory hyperpigmentation.

MAIN INGREDIENTS: Niacinamide, Ascorbyl Methylsilanol Pectinate (Vitamin C), Arbutin, Centella Asiatica Extract, Scutellaria Baicalensis Extract, Tea Extract, Liquorice Extract, Chamomile Extract, Rosemary Extract.

Anti-Ageing **Cocktail**

An innovative treatment combining biotechnology and botanical ingredients for a comprehensive anti-ageing approach. Its formula features the neuropeptide Acetyl Hexapeptide-8, known for helping **reduce the appearance of expression lines.** Peptides (Oligopeptide and Tetrapeptide-7) help stimulate collagen and other protein synthesis in the dermis. Antioxidant extracts (Green Tea, Scutellaria and Rosemary) help protect against environmental oxidative stress, **improving skin firmness and density.**

MAIN INGREDIENTS: Hexapeptide-8, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Centella Asiatica Extract, Scutellaria Baicalensis Extract, Tea Extract, Liquorice Extract, Chamomile Extract, Rosemary Extract.

Sensitive Skin **Cocktail**

A soothing treatment designed to strengthen and calm reactive skin. Its effectiveness relies on skin-repairing ingredients such as Avena Sativa (Oat) Extract, which helps relieve itching and redness, and Calendula Extract, known for its anti-inflammatory and skin-healing properties. Centella Asiatica Exosomes provide advanced cellular action to help reinforce the skin barrier. **Antioxidant botanical extracts further enhance its protective action against external aggressors, helping reduce skin reactivity.**

MAIN INGREDIENTS: Centella Asiatica Exosomes, Calendula Extract, Avena Sativa (Oat) Extract, Centella Asiatica Extract, Scutellaria Baicalensis Extract, Tea Extract, Liquorice Extract, Chamomile Extract, Rosemary Extract.

Hydrating **Cocktail**

A moisturising treatment designed to replicate the skin's Natural Moisturising Factors (NMF). It combines the soothing properties of Aloe Vera Extract with a complex of natural humectants, including Urea, Hyaluronic Acid and sugars (Fructose, Trehalose and Maltose), **which attract and retain water in the epidermis.**

Allantoin helps support skin repair and maintain long-lasting hydration, **restoring comfort and softness, even to severely dehydrated skin.**

MAIN INGREDIENTS: Aloe Vera Extract, Natural Humectants: Fructose, Urea, Maltose, Trehalose, Allantoin, Sodium Hyaluronate, Glucose, Centella Asiatica Extract, Scutellaria Baicalensis Extract, Tea Extract, Liquorice Extract, Chamomile Extract, Rosemary Extract.
