ALL OUR PRODUCTS

Three generations devoted to results-driven cosmetic manufacturing since 1965

a division of:

CEO'S WELCOME

Quality control is our commitment; Innovation is our vocation.

At OEM SPAIN we adapt ourselves to the customer's needs. Size does not matter but quality does, here at OEM Spain. Our client base is diverse and our capabilities are extremely adaptable. We cater to indie start-ups, established brands and cosmetic giants. Our primary goal is to be able to consistently provide european quality world-class formulations at competitive prices

We pride ourselves on our incredible diversity, covering all fields of cosmetics from **immediate effect products** to treatment

products, ampoules program, alginate peel-off masks (**Alginasine**) and specific lines for dermatologists based on chemical peels along with products for **aesthetic equipment**.

Furthermore, we feature the world's **widest selection of visual products** (www.fx-cosmetics.com) that are truly a unique sensorial experience for the fashion conscious cosmetic user.

Our entire production chain, which we offer in an integral or individualized way, is characterized by the commitment to the ISO 22716:2007 standard of good manufacturing practices (**GMP**) through our **exclusive SAFE 22716 protocol**.

Created in 2012 as a manufacturer of cosmetic products for third parties by the marriage formed by **Mauricio Sanchis**, third generation of a dynasty dedicated to the manufacture of Spanish cosmetic products, and his wife **Sonsoles Albert**, a pharmacist specialized in cosmetic formulation, OEM SPAIN is formed by a multidisciplinary team of Spanish technicians with a vast experience in the fields of Research & Development & Innovation (R&D&I) and manufacturing of cosmetic products, dermatological studies, quality control, logistics and exports.

AWARDS

Customers from 50 countries use products manufactured by OEM SPAIN, including China, where Mauricio Sanchis is usually welcomed by more than 1000 aestheticians and professional distributors.

WE ARE QUALITY CONTROL

GMP SAFE 22716

Being in the forefront of Quality Control, environmental sustainability and innovation to go above and beyond the requirements of health authorities resulted in the creation of a unique and exclusive security protocol known as **SAFE 22716**.

SAFE22716 is the registered trademark of the exclusive security protocol developed at OEM SPAIN which, besides conforming exhaustively with ISO 22716:2007 (Good Manufacturing Practice), adds important cosme-to-vigilance measures that will provide extra security to the products offered to our customers.

WE ARE RULES

Regulatory advice

The Regulation (EC) No 1223/2009 of the European Parliament establishing the legal framework in Europe for cosmetic products exists from 2009 and it was put into effect on 11 July 2013.

Visit to our premises. Mauricio Sanchis, Rafa Climent (Valencian Minister of Sustainable Economy) and Sonsoles Albert.

2022 Internationalization Award. Ximo Puig, (President of Valencian Government) Mauricio Sanchis, Sonsoles Albert and Rafa Climent (Minister of Sustainable Economy).
